**The Very Persistent Gappers of Friip** George Saunders, 2015-11-24 From the bestselling author of Tenth of December comes a splendid new edition of his acclaimed collaboration with the illustrator behind The Stinky Cheese Man and James and the Giant Peach Featuring fifty two haunting and hilarious images The Very Persistent Gappers of Friip is a modern fable for people of all ages that touches on the power of kindness generosity compassion and community In the seaside village of Friip live three families the Romos the Ronsens and a little girl named Capable and her father The economy of Friip is based solely on goat s milk and this is a problem because the village is plagued by gappers bright orange many eyed creatures the size of softballs that love to attach themselves to goats When a gapper gets near a goat it lets out a high pitched shriek of joy that puts the goats off giving milk which means that every few hours the children of Friip have to go outside brush the gappers off their goats and toss them into the sea The gappers have always been everyone s problem until one day they get a little smarter and instead of spreading out they gang up on Capable s goats Free at last of the tyranny of the gappers will her neighbors rally to help her Or will they turn their backs forcing Capable to bear the misfortune alone Featuring fifty two haunting and hilarious illustrations by Lane Smith and a brilliant story by George Saunders that explores universal themes of community and kindness The Very Persistent Gappers of Friip is a rich and resonant story for those that have all and those that have not Praise for The Very Persistent Gappers of Friip In a perfect world every child would own a copy of this profound funny fable Every adult would own a copy too and would marvel at how this smart subversive little book is even deeper and more hilarious than any child could know Entertainment Weekly Saunders s idiosyncratic voice makes an almost perfect accompaniment to children s book illustrator Smith s heightened characterizations and slightly surreal backdrops Publishers Weekly A riveting funny and sly new fairy tale Miami Herald **The Very Persistent Gappers of Friip** Doug Cooney, 2008

An Ethics Beyond Kevin Richard Kaiser, 2019-07-22 This study examines the fiction of contemporary American author George Saunders in terms of how it presents situations applicable to the chief notions of posthumanist ethics and how these conceptions concern nonhuman animals which are prevalent in his writing Posthumanist ethics can help us understand what is at play in Saunders s fiction Meanwhile his texts can help us understand what is at stake in posthumanist ethics This interdisciplinary project may be beneficial both to conceiving new notions of ethics that are more inclusive and more implicitly to understanding the relevance of Saunders s fiction to the current American sociocultural climate **George Saunders** Philip Coleman, Steve Gronert Ellerhoff, 2017-03-25 This timely volume explores the signal contribution George Saunders has made to the development of the short story form in books ranging from CivilWarLand in Bad Decline 1996 to Tenth of December 2013 The book brings together a team of scholars from around the world to explore topics ranging from Saunders s treatment of work and religion to biopolitics and the limits of the short story form It also includes an interview with Saunders specially conducted for the volume and a preliminary bibliography of his published works and critical

responses to an expanding and always exciting creative oeuvre. Coinciding with the release of the Saunders first novel *Lincoln in the Bardo* 2017, *George Saunders Critical Essays* is the first book length consideration of a major contemporary author's work. It is essential reading for anyone interested in twenty first century fiction. ***The Story Cure*** Ella Berthoud, Susan Elderkin, 2016-10-27. The stories that shape our children's lives are too important to be left to chance. With *The Story Cure* bibliotherapists Ella Berthoud and Susan Elderkin have put together the perfect manual for grown ups who want to initiate young readers into one of life's greatest pleasures. There's a remedy for every hiccup and heartache whether it's between the covers of a picture book, a pop up book or a YA novel. You'll find old favourites like *The Borrowers* and *The Secret Garden* alongside modern soon to be classics by Michael Morpurgo, Malorie Blackman and Frank Cottrell Boyce as well as helpful lists of the right reads to fuel any obsession from dogs or dinosaurs, space or spies. Wise and witty, *The Story Cure* will help any small person you know through the trials and tribulations of growing up and help you fill their bookshelves with adventure, insight and a lifetime of fun. ***Conversations with George Saunders*** Michael O'Connell, 2022-06-27. Besides being one of America's most celebrated living authors, George Saunders b. 1958 is also an excellent interview subject. In the fourteen interviews included in *Conversations with George Saunders* covering nearly twenty years of his career, the Booker Prize winning author of *Lincoln in the Bardo* and *Tenth of December* provides detailed insight into his own writing process and craft alongside nuanced interpretations of his own work. He also delves into aspects of his biography including anecdotes from his childhood and his experiences as both a student and teacher in MFA programs as well as reflections on how parenthood affected his writing, the role of religious belief and practice in his work and how he has dealt with his growing popularity and fame. Throughout this collection we see him in conversation with former students, fellow writers, mainstream critics and literary scholars. In each instance Saunders is eager to engage in meaningful dialogue about what he calls the big questions of our age. In a number of interviews he reflects on the moral and ethical responsibility of fiction as well as how his work engages with issues of social and political commentary. But at the same time these interviews like all of Saunders's best work are funny, warm, surprising and wise. Saunders says he has always enjoyed doing interviews in part because he views intense, respectful conversation as really an artform, an exploration of sorts. Readers of this volume will have the pleasure of joining him in this process of exploration. ***Show and Tell*** Dilys Evans, 2008-03-26. Looking at the wide variety of artistic genius in children's books, *Show and Tell* teaches the reader how to look for the perfect marriage of art and text and is an invaluable guide for anyone interested in children's books and the art of illustration. ***Complete Catalog of Plays & Musicals*** Dramatic Publishing Company, 2007. ***The Scribner Anthology of Contemporary Short Fiction*** Lex Williford, Michael Martone, 2007-12-04.
