Victorian Year-book Victoria. Government statist,1901 **Victorian Year-book** ,1884 Music and Institutions in Nineteenth-Century Britain Paul Rodmell,2016-04-29 In nineteenth century British society music and musicians were organized as they had never been before This organization was manifested in part by the introduction of music into powerful institutions both out of belief in music s inherently beneficial properties and also to promote music occupations and professions in society at large This book provides a representative and varied sample of the interactions between music and organizations in various locations in the nineteenth century British Empire exploring not only how and why music was institutionalized but also how and why institutions became musicalized Individual essays explore amateur societies that promoted music making institutions that played host to music making groups both amateur and professional music in diverse educational institutions and the relationships between music and what might be referred to as the institutions of state Through all of the essays runs the theme of the various ways in which institutions of varying formality and rigidity interacted with music and musicians and the mutual benefit and exploitation that resulted from that interaction **Victorian Yearbook** ,1889 **Victorian Law and Order** Alan Evans,1988 The development of law and order during Victorian times included the establishment of the British police and prison systems which we have today This book part of the Finding Out About series is designed for use in both class and individual project work for the 10 14 year old Psychological Services for Law Enforcement Theodore H. Blau,1994-03-16 In 1989 the Commission on Accreditation for Law Enforcement Agencies mandated that every police authority seeking accreditation with the Commission must have access to psychological support and consultation This timely text offers an extensive and current overview of the services psychologists can offer to law enforcement Organized under major subject areas assessment intervention consultation and training it deals with such issues as officer recruit selection fitness for duty evaluations stress counseling hostage negotiation investigative hypnosis psychological profiling management consultations and much more The Making of a Policeman Haia Shpayer-Makov,2002 Machine generated contents note Introduction 1 Part One Creating a Portrait of a Policeman 23 1 Personal Motives and Formal Selection Criteria 25 2 Informal Selection Preferences and the Response of Labour Augmenting the Portrait 43 3 Job Stability vs Mobility Rounding Out the Portrait 77 Part Two Control and Accommodation 95 4 Socialization Bureaucracy and Everyday Life in the Force 97 5 The Paternalist Contract Labour Management Reciprocity 153 6 Patterns of Promotion 189 7 Recreation and Control 215 8 Conflict and Negotiation Industrial Relations Without Unionization 245 **The Victorian Policeman** Simon Dell,2004 **The Secret Five and the Stunt Nun Legacy** John Lawrence,2010 A comic novel a surreal parody of children s adventure stories aimed at adult readers in which unnervingly the time travelling characters are aware of their place in the narrative and the author treats them with curmudgeonly disdain The plot creaky and with more holes than a Swiss cheese is the vehicle for the quirky and unusual humour which is packed onto every page Our young adult

heroes Betty Daniel Ricky Amy and their dog Whatshisname think that they live life on the edge dominated by secret passwords and meetings They have a tetchy relationship with Whatshisname who might just be cleverer than they think they also have a tetchy relationship with the author who definitely isn't The characters sometimes become uncontrollable Ricky walks out of the book at one stage and at another critical point Daniel demands that his character should wear spectacles A feeble attempt by the author to kill off his characters fails miserably This book for adults is crammed with humour occasionally a little cheeky never offensive but always unashamedly silly Somewhere Out There Bron Fane, Lionel Fanthorpe, Patricia Fanthorpe, 2013-12-19 They dragged the unidentifiable body of a man out of the Thames Routine enquiries led nowhere and the case was shelved Superintendent Harry Lee retired and reopened the case for his own satisfaction An orthodox approach led nowhere so Lee tried a few unorthodox methods That was when he heard the story of the Flying Saucer Lee was experienced enough to tell a crank from a reliable witness The Saucer man was no crank At last Lee saw the disc ship for himself and met its pilot He went aboard and took a trip to the unknown Apparently the saucer pilot was working on the same case from a different angle and Lee realised why it had been impossible to identify the body it didn't belong There were some more disappearances to account for Memoir of the Victorian Country Fire Service and Other Reminiscences T.
