Written by a divorced father of three, *The Practical Guide to Weekend Parenting* offers a no-nonsense approach to parenting and gives sensible advice from a parent who has walked in your shoes. **Nolo's Essential Guide to Child Custody and Support** Emily Doskow, 2023-11-28 Custody and Support: Get the Answers You Need When you're getting divorced, you can make a tough time easier for yourself and your children if you work with the other parent to agree on a custody plan and child support. If you can't resolve these issues, you'll have to head to court and ask a judge to decide for you. Either way, *Nolo's Essential Guide to Child Custody Support* can help. You'll learn how to negotiate and use mediation to keep costs down and improve future dealings with your ex. Find your state's child support guidelines, advocate for the custody arrangements you want, enforce and change custody and support orders, anticipate how your case will be handled by a judge if you go to trial, recognize the situations where you need a lawyer and work with a lawyer. You'll also find information on subjects such as the factors judges consider when they rule on custody arrangements and what happens when one parent wants to move away with the children.

**How to Behave So Your Children Will, Too!** Sal Severe, 2003-07-29 In this eye-opening resource, Dr. Sal Severe taps his twenty-five years of experience as a school psychologist and parenting workshop leader to show that a child's behavior is often a reflection of the parent's behavior and by making changes themselves, parents can achieve dramatic results in their children. Instead of focusing on what children do wrong, Dr. Severe teaches parents to emphasize the positive, to be consistent, and to be more patient. He shows parents how to teach their children to behave, listen, and be more cooperative, and how moms and dads can manage their own anger and prevent arguments and power struggles. Packed with concrete strategies for dealing with homework hassles, ending tantrums, and other common problems, Dr. Severe's empathetic, common-sense book will be welcome everywhere.
