Welcome To Algeria:

Greater France in Africa William Milligan Sloane, 1924 *Welcome to Algeria* Oi Ling Chin, 2005 An overview of the geography history government economy people and culture of Algeria [The Jewelers of the Ummah](#) Ariella Aïsha Azoulay, 2024-09-24 Algeria's Arab Jews were renowned for their metal working and jewellery making skills and these jewellers of the ummah the Arabic community are for Azoulay the symbol of a world that can still be reclaimed and repaired In a series of letters written to her father her great grandmother and her children and to the thinkers and artists she claims as intellectual kin such as Frantz Fanon and Hannah Arendt Azoulay traces the history of Arab Jewish life in Algeria and how it was disrupted by French colonialism She begins by asking how her family became assimilated into the identities of Israeli Jewish or French As she does she finds a whole lost world open up to her the world of her family the Arab Jews of Algeria She traces how Arab Jews were severed from other Arabs and how Arab Jews were severed from their Arabness by the Israeli vision of a Jewish diaspora and sets out to repair those breaks and revive their world But it is in the return to the carefully crafted jewels whose beautifully crafted objects act as messages to the future reminds us of the conviviality of a world that existed long before colonial disruption and whose memory challenges the imperial ways of thinking we have all inherited
