Wesleyan Themes:

A Faith That Sings Paul W. Chilcote, 2016-11-15 This book examines the primary biblical themes in the lyrical theology of Charles Wesley the master hymn writer and cofounder of the Methodist movement Methodism was born in song and it is highly doubtful whether without the hymns of Charles Wesley there could have been a Methodist revival Charles's hymns have exerted a monumental influence on Methodist doctrine and Methodist people through the years They are essentially mosaics of biblical texts in singing these hymns Methodists have sung the grand narrative of redemption and restoration in the biblical witness A summary list of key biblical texts drawn from the 1780 Collection of Hymns for the Use of the People Called Methodists serves as a summa of Charles Wesley's theology and points to the doctrinal concerns that shaped his life most fully Intended as an exploration of Wesleyan theology through the lens of sung doctrine this study demonstrates the world making and life shaping effect of hymns and the way in which they emanate from Charles Wesley's life of prayer and evoke a life of service

From the Margins Christian T. Collins Winn, 2007-07-15 Recognized as a leading interpreter of major movements in American Christianity such as Evangelicalism Pentecostalism and the Holiness movement Donald W Dayton has produced a body of work spanning four decades and diverse areas of inquiry In *From the Margins* friends and colleagues respond to major essays by Dayton several published here for the first time so as to celebrate and reflect on this diverse and rich body of work The essays highlight the breadth of Dayton's contribution while also revealing a methodological core The latter could be described as Dayton's deconstructive reading of standard scholarly narratives in order to short circuit their domesticating effects on the more radical aspects of American Christianity Dayton's work has challenged long held assumptions about the conservative nature of American Christianity by showing that both in their history and in their deeper theological substructures traditions such as Evangelicalism and Pentecostalism are far more radical and productive of social change than was previously imagined

Whose Sacrifice is the Eucharist? Stephen B Sours,2024-07-26 This book explores what Catholics and Methodists believe about eucharistic sacrifice Eucharistic sacrifice refers to the offering that Christ and his church make in the celebration of the Lord s Supper It is therefore both a Christian doctrine and a church practice The sacrificial dimension of the sacrament comes both from Christ s sacrifice on the cross and from his self offering at the Last Supper in which Christ gives himself to the Father on behalf of his people This is my body which is given for you Luke 22 19 The eucharist is a sacrificial meal because in the bread and cup Christians are united to the body and blood of Christ that was sacrificed for them on the cross Moreover the resurrected Lord is really present with his people in the eucharist and while his historic crucifixion is an event in the past Jesus salvation continues and his grace is given to his people in the sacrament for this is my blood of the covenant which is poured out for many for the forgiveness of sins Matthew 26 28 Catholics and Methodists believe that Jesus instructs his followers to repeat his words and actions from the Last Supper in their celebration of the eucharist but a long running assumption is that Catholics and Methodists following the historic Reformation schism are deeply divided over eucharistic sacrifice This book challenges that assumption by analyzing what these churches teach on eucharistic sacrifice from historical sacramental liturgical and ecumenical perspectives Key figures like Thomas Aquinas and John Wesley help define eucharistic sacrifice in each tradition Subsequently authoritative texts such as ecclesial statements eucharistic prayers and hymns further specify what Catholics and Methodists believe they are doing when they offer the eucharist to God Sours argues that far from being divided Catholics and Methodists have much in common regarding this controversial doctrine

A Theology of Cross and Kingdom D. K. Matthews,2019-11-19 Luther s theology of the cross has impacted major theologians and centuries of theology including the present and yet it is weakened by its reactionary theological determinism reductionism and understandable failure to properly integrate fluid melioristic and pro creation kingdom eschatology N T Wright s revolutionary cross articulated in *The Day the Revolution Began* Reconsidering the Meaning of Jesus s Crucifixion is a brilliant and clarion new creation eschatological call to action that suffers from a somewhat cryptic imprecise and unrefined eschatology Heino O Kadai has presented an authoritative and concise rendering of Luther s key insights Rustin Brian has carefully assessed whether Luther s theology of the cross deserves blame for the *Deus absconditus* of modernity in his Barthian influenced *Covering Up Luther* Robert Cady Saler has masterfully articulated a relevant and pastoral *Theologia Crucis* framed by Moltmann s *Theology of Hope* that is most applicable to the contemporary church and sociopolitical engagement *A Theology of Cross and Kingdom* sympathetically and creatively
