Word Biblical Themes Collection Leslie C. Allen, Dr. Richard Bauckham, George R. Beasley-Murray, Dr. Roddy Braun, Trent C. Butler, Dr. John I. Durham, Dr. John Goldingay, Gerald F. Hawthorne, Dr. T. R. Hobbs, J. Ramsey Michaels, Leon Morris, Ralph Smith, Douglas Stuart, 2020-07-14 A companion series to the acclaimed Word Biblical Commentary Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems; they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader to trace important subjects systematically within a given book. A Scripture Word Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes in this series, written by top biblical scholars, feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series. Distill deep and focused study on a biblical book into the most important themes and practical applications of them. Give readers an ability to see the big picture of a book of the Bible by understanding what topics and concerns were most important to the biblical writers. Help address pressing issues in the church today by showing readers how the biblical writers approached similar issues in their day. Ideal for sermon preparation and for other teaching in the church. Volumes in the Word Biblical Themes 15 Volume Set include Exodus by John I. Durham, Joshua by Trent C. Butler, 1 and 2 Kings by T. R. Hobbs, 1 and 2 Chronicles by Roddy L. Braun, Psalms by Leslie C. Allen, Isaiah by John D. W. Watts, Daniel by John Goldingay, Hosea, Jonah by Douglas Stuart, Micah, Malachi by Ralph L. Smith, John by George R. Beasley-Murray, 1 and 2 Corinthians by Ralph P. Martin, Philippians by Gerald F. Hawthorne, 1 and 2 Thessalonians by Leon Morris, 1 Peter by J. Ramsey Michaels, 2 Peter and Jude by Richard J. Bauckham. Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series and will help pastors, bible teachers, and students as they seek to understand and apply God's word to their ministry and learning.

**1 Peter** J. Ramsey Michaels, 1989 **Patterns of Discipleship in the New Testament** Richard N. Longenecker, 1996-10-08 Discipleship is a subject that lies at the heart of Christian thought, life, and ministry. For centuries it has been a way of thinking and speaking about the nature of the Christian life. But what is actually meant by the notion of Christian discipleship? In *Patterns of Discipleship in the New Testament*, thirteen first-class scholars examine what the New Testament writings say about the subject of discipleship, highlight the features of both unity and diversity that appear throughout the New Testament, and suggest in a very readable style how Christian discipleship can be expressed today in ways that honor both the oneness of the gospel and a legitimate variety of lifestyles.

**Variety and Unity in New Testament Thought** John Reumann, 1991 The blend of variety and unity apparent in the thought of the New Testament has been a subject for theological debate through the ages Certain themes teachings and characterizations are clearly consistent but others are perplexing in their diversity This distinction was acknowledged by the New Testament writers themselves For example the author of 2 Peter looking back at the letters of our beloved brother Paul confesses that they contain some things hard to understand

1 Peter (revised edition) Wayne Grudem, 2024-06-20 In this fully revised commentary Wayne Grudem builds on his original work to take into account almost four further decades of study and prayer Peter's short letter to the exiles of the Dispersion addresses many topics of ongoing relevance holiness the sufferings of Christ and his followers God's sovereignty and grace the work of the Holy Spirit the church as the new people of God the reality of the unseen spiritual world and the challenge of trusting in God in the midst of daily life For Wayne Grudem these seemingly disparate themes are tied together by suffering as a form of imitating Christ The Tyndale New Testament Commentaries TNTC have long been a trusted resource for Bible study Written by some of the world's most distinguished evangelical scholars these twenty volumes offer clear reliable and relevant explanations of every book in the New Testament These commentaries are designed to help readers understand what the Bible actually says and what it means The introduction to each volume gives a concise but thorough description of the authorship date and historical background of the biblical book under consideration The commentary itself examines the text section by section drawing out its main themes It also comments on individual verses and deals with problems of interpretation The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today The Tyndale volumes have long been the premier shorter length commentary series on both Testaments throughout the English speaking world Craig Blomberg Denver Seminary Tyndale commentaries are always

useful not least because they focus so clearly on the text of Scripture and do not fall into the trap of paying too much attention to other commentaries and not enough to the scriptural text they are intended to expound and explain So they retain their usefulness for preachers Bible study leaders and for all readers of the Bible Peter Adam principal Ridley College Melbourne Australia The evenness and quality of this series are remarkable Christianity Today *Abingdon New Testament Commentaries* | 1 Peter M. Eugene Boring,1999 Identifying the theme of 1 Peter as how the church is to witness responsibly in a non Christian world Boring emphasizes the necessity of a sympathetic historical understanding of those parts of the letter that collide with modern cultural values and understandings of what Christian commitment and theology require He gives special attention as well to the narrative world within which this ancient writer operated and to the strong affirmation of ecumenism implicit in the letter s amalgamation of traditions stemming from Peter and Paul respectively Through the years Professor Boring has shown himself to be a master of technical exegesis and theology wedded to great pastoral concern These twin talents are fittingly brought to bear on a New Testament document that shows the same union of rich theology and pastoral care Indeed the sober centrist yet moving commentary squares perfectly with the sober centrist yet moving document that is 1 Peter If this commentary is a popularization then it is a popularization of very high caliber a tremendous amount of research and insight is made available and intelligible to a wide public This commentary is not just a rehash of what everyone else has said on 1 Peter The innovative appendix detailing the narrative world of 1 Peter is alone worth the price of admission All in all an excellent contribution to present day literature on an often neglected book of the New Testament John P Meier The Catholic University of America Washington D C [A Layman's Guide to Studying the Bible](#) Walter A.
