*Morning and Evening Meditations from the Word of God* Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God **A Harmony of the Gospels in the Words of the Revised Version** C. C. James, 1892 **Thus Saith the Lord; Or, Words of Divine Love** Octavius Winslow, 1872 *Giving One's Word* Michael Joseph Higgins, 2025 St Thomas Aquinas is rarely invoked as a patron of such a social approach to the Trinity Aquinas s Trinitarian theology after all revolves around the immanent processions of a Word and Love within the unity of the divine essence Many have assumed that this psychological analogy is removed from or even incompatible with interpersonal knowledge love and self giving Some have concluded that Aquinas is therefore unable to accommodate a social Trinity Others have argued that he is open to a social Trinity but that his psychological categories need to be complemented by a more overtly social framework This study however shows that these psychological categories themselves are shot through with interpersonal knowledge love and self giving Provided by publisher **The Word**, 1912

**The Wiersbe Bible Commentary: New Testament**, Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe s popular Be series of Bible study books this commentary carefully unpacks all of the New Testament The Wiersbe Bible Commentary New Testament offers you Dr Wiersbe s trustworthy insights on the entire New Testaments New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that s free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It s the trusted reference you ll love to read **Novello's Collection of Words of Anthems** Novello & Company, Novello and co, ltd, 1888 The Imperishable Word William Charter Piggott, 1912 Words of ... Jesus Christ, 1880 **The Word Speak's to the Faustian Man** Som Raj Gupta, 1991-01-01 The Chandogya Upanisad The culture it reflects is remote and archaic the texture of its ritualistic and contemplative symbolism thick and dense virtually a closed book for us moderns A sustained self submitting attentiveness however discloses its language as resonating disturbingly modern notes focusing our attention on many of our pathologies as well as our possibilities pathologies and possibilities that have escaped the notice of us moderns The spirit of quiet hermeneutics that characterizes this study illumines many an opaque spot in this text solves many an interpretive puzzle turns many of its archaic naivetes into living and compelling profundities We are made to realize that

what some moderns call Gestalt is far more primordial than they would envisage it to be far more ominous and primitive tragic and persistent A radical transformation is required an ontological transformation Not mere a masterly exposition of an ancient text is therefore this study but an authentic springboard for fresh philosophical thinking fecundating the two shores of the human experience East and West The first three published Vols are on i Isa Kena Katha and Prasna Upanisads ii Mundaka and Mandukya Upanisad with Gaudapada Karika iii Taittiriya and Aitareya Upanisads *The unity and harmony in God's word, as found in the Bible, the world, and man* John Coutts (of Highbury.),1881 *God's Little Book of Joy* Richard Daly,2013-10-29 God's Little Book of Joy celebrates the joys that surround us and highlights sources of joy even in hard times

*The Word Goes On 2nd Ed* Siegbert W Becker,James P. Becker,2018-07-01 What makes a good sermon Arguments can be made for how it is delivered how dynamic the preacher is and how relatable the sermon is to the Christians in the pews but neither of those makes a sermon good Neither of those makes a sermon great What makes a good sermon is what it's all about God's Word More specifically a good sermon contains both law and gospel in a way that convicts and then comforts believers with the assurance that God forgives them and loves them all because of Jesus and what he's done for them The Word Goes On contains powerful sermons for every Sunday of the church year and many church festivals The themes encourage you to have a closer relationship with Jesus making it valuable for personal devotional reading Read The Word Goes On today to see the motivational and practical power of God's saving message for you This book contains important Bible concepts like law and gospel making it a valuable resource and inspirational reference book for pastors and theological writers Good words, ed. by N. Macleod Norman Macleod,1873 **Weighty Words from the Writings of J.N. D. [i.e. John N. Darby. With a Portrait.]** J. N.
