Wordsworth John Alan Turner,1986-02-24      Wordsworth John Turner,1986-01-01      **Wordsworth** John Turner,1986

Wordsworth's Counterrevolutionary Turn John Rieder,1997 Arguing throughout that Wordsworth's originality springs from his invention and elaboration of a peculiarly literary form of community Rieder maintains that the didactic element in Wordsworth's concept of community was doomed to irrelevance by the course of English economic and social development Yet Wordsworth's writing became enormously influential not by virtue of the agrarian community it envisioned but rather by virtue of the literary form of community it modeled and produced in its dissemination      **Romantic Revisions** Robert Brinkley,Keith Hanley,1992-10-22 Leading American and British textual editors respond to the recent radical overhaul in the editing of Romantic texts in the light of developments in critical theory      **English Poetry of the Romantic Period**

**1789-1830** J.R. Watson,2014-03-18 On its first appearance English Poetry of the Romantic Period was widely praised as one of the best introductions to the subject This edition includes updated material in the light of recent work in Romanticism and Romantic poetry The book discusses the concerns that linked the Romantic poets from their responses to the political and social upheavals around them to their interest in the poet's visionary and prophetic role It includes helpful and authoritative discussions of figures such as Blake Clare Coleridge Crabbe Keats Scott Shelley and Wordsworth      *Essays, Critical and Political* John Hutton Balfour Browne,1907      **Succeeding King Lear** Emily Sun,2010 This book investigates the question of the relations between literature and politics in democratic modernity It makes connections between Shakespeare's tragedy Wordsworth's poetry and the documentary nonfiction and photography of James Agee and Walker Evans to offer new ways of thinking of the logic of literary history and the relationship between early modern Romantic and twentieth century texts and it brings literature into dialogue with contemporary philosophical readings of Western political thought King Lear Sun argues opens up a literary succession at the heart of which is a crisis of sovereignty Interrogating what it is to be a political subject as actor and spectator in the kingdom the play issues an injunction to transform spectatorship in plural and nonsovereign terms Thorough engagements with Lear Wordsworth in the 1790s and Agee and Evans in the 1930s assume this injunction by generating new artistic genres and modes for their times      **The Durham University Journal** University of Durham,1986      *The Saturday Review of Politics, Literature, Science and Art* ,1860      **Humor in Eighteenth-and**

**Nineteenth-Century British Literature** Don Lee Fred Nilsen,1998-05-30 During the 18th and 19th centuries in Britain there was a wide range of literary humor Much of this humor was satiric ranging from the sharp barbs of Pope and Swift to the more subtle but stinging wordplay of Addison In the 18th century Richardson Fielding Smollett and Sterne wrote humorous novels in which they criticized society The period was largely dominated by satire in which the dunce was a common figure There was a proliferation of satires in prose and verse along with satiric operas pamphlets and other writings During the 19th century writers such as Dickens Thackeray Eliot and Carlyle continued to use humor to comment on the

issues of their day though their writings were often far more gentle than those of their predecessors This reference book is a comprehensive guide to how British writers of the 18th and 19th centuries used humor in their works An introductory chapter overviews humor in British literature of the era The sections that follow then treat humor in British literature of the 18th century and of the early middle and later 19th century Each of these sections includes a short introduction followed by chronologically arranged profiles of various authors Each profile discusses how the author used humor and includes extensive bibliographic information A thorough index allows the reader to access information alphabetically while the chronological arrangement of the profiles shows how humor in British literature evolved over time South Atlantic Review, 1987 , **Literary and political addresses** James Russell Lowell, 1890 **Writings: Literary and political addresses** James Russell Lowell, 1890 **Whitaker's Cumulative Book List**, 1986 *Literary and political addresses.
