

Clan Gordon

The history of Scottish Clan Gordon is a fascinating and complex tale of a powerful family that rose to prominence in medieval Scotland and played a significant role in shaping the country's history over the centuries. From their origins in the Borders to their heyday as one of the most powerful clans in the north, the Gordons have left an indelible mark on Scottish society that can still be seen today.

The Gordons trace their origins to Anglo-Norman settlers who came to Scotland in the 12th century, and the first certain record of the family dates back to the reigns of Malcolm IV and William the Lion. From there, the Gordons quickly rose in prominence, with Sir Adam de Gordon serving as one of the wardens of the marches in 1300 and becoming a staunch supporter of Robert the Bruce during the Wars of Scottish Independence.

For their services to the king, the Gordons were granted the lands of Strathbogie, which had been confiscated from the Earl of Atholl for treason. The Castle of Strathbogie was renamed Huntly after a portion of the Gordon lands in Berwickshire, and the family soon became embroiled in the deadly battle for power between the king and the Douglases. Despite suffering devastating losses at the hands of their enemies, the Gordons eventually emerged victorious, and their control over their lands became almost regal.

Despite losing much of their power and lands as a result of their involvement in the Jacobite uprisings of the 18th century, the Gordons have remained a prominent family in Scotland to this day.

The Clan Gordon:

A History Of The Gordons Kenn Gordon, 2020-12-22 This book will take an academic look at those who are of the Gordon name and clan There are already quite a few books about the Gordons but they either skip over the lineage or romanticise battles and positions held There are defining traits within the Gordon DNA that much is true however that does not always make us good people We strive to be the absolute best in our chosen fields That could be taking the fore in battles or being the best musician you can be There are amazing acts of bravery that have been carried out by the Gordons along with substantial acts of cowardice If that sounds like an oxymoron then you would be right as we occupy both ends of the moral and social scales The Gordons have fought for and against the Papacy We fought on both sides of the Jacobite rebellion We stood for and against England The Gordons even as individuals have fought on both sides in World War 1 and 2 There were Gordons on either side of communism We have been great scientists and doctors I have one son who is a great Chef and the other is a Quantum Physicist whilst I am a Musician and Writer So we all do have a personal choice but it is what and how you act upon us that will mark our places in the history of the Gordon name I wrote this book in the year 2020 when the world was facing a global pandemic Not only were our doctors and nurses fighting an invisible enemy Covid 19 but worse was happening on the streets around the world Racism seems to raise its ugly head when mankind is at its lowest ebb Black Lives Matter was a new movement To an old problem I feel that ALL Lives matter There are Gordons who are African Indian European Australian Asian North American and South American Those Gordons have every shade of skin colour that comes within the human range We also follow every faith and no faith at all If you go back far enough in any clan or race you will find some element of slavery We Gordons have also been on both sides of that evil We have been Slaves Slave Owners and even Slave Traders Slaves would normally keep their own first name but would also adopt the surname of the slave owner hence not all Gordons are Celtic Being involved in slavery is not a matter of pride to most Gordons it is just a matter of historical fact Tearing down statues or defacing buildings that bear the name of historical people to me is pointless It would be like tearing down the Auschwitz Museum There was a holocaust and Auschwitz is testament to that horror and by it being there it tells us not to forget When people tried to tear down the statue of William Wallace saying that he was a racist His statue is there because he fought for Scotland and its people There were 12 presidents of the USA that owned slaves Thomas Jefferson James Madison James Monroe Andrew Jackson Martin Van Buren William Henry Harrison John Tyler James K Polk Zachary Taylor Andrew Johnson and Ulysses S Grant You would have to tear down America and start building all over again starting with Washington DC and the White House We remember our history the good along with the bad in order to learn from our mistakes Consequently in this book you will find all the great moments in the Gordon history since 66BC all the way up to 2020 You will also find the truth and the facts that point to unspeakable acts carried out sometimes in the name of the Gordon families other times just out of coincidence to them bearing the name of Gordon One such example would be the

Highland clearances carried out by the Duke of Sutherland whose wife was Countess Elizabeth Gordon He committed an act of ethnic cleansing in the north of Scotland This is not something that gives me pride it is though part of my history and if you are a Gordon then it is part of your history especially if you can trace your roots back to that period in America Canada Newfoundland and Australia These were the predominant areas that the crofters from the north of Scotland were forced to flee too Gordons fought on both sides of the American Civil War The Gordons fought during the crusades it is even said that it was a Gordon that was responsible for the death of Richard The Lionheart This book is not a romanticised novel where facts are cherry picked I have written this as a non fiction work and as a starting point for any genealogical work you wish to embark upon I have taken information for many sources in order to complete this and I give thanks to the Encyclopaedia Britannica Wikipedia Ancestry online The Gordon Highlanders UK Census as well as reading many books on Scottish History and land ownership Long and Short of this book is that it is written by a Gordon for all Gordons *Gordon Ian* Andsell,2006-04-01 **The Clan Gordon** Jean Dunlop,1955 The family is part of the Scottish nobility **The Clan Gordon** Jean Dunlop,1955 **The Clan Gordon** Jean Dunlop,1955 The Caledonian ,1921 **Cases Decided in the Court of Session, Teind Court, Court of Exchequer and House of Lords** Scotland. Jean Dunlop,1965 **The Duke of Ackergil** Fred L. Culver,2021-09-21 The year is 1466 AD The Highlands of Scotland are beautiful raw and unforgiving The hard day of travel was one of many The entire country seemed to be on edge with no one about and small battles raging nearby I had been compelled to keep moving Although I was only sixteen years of age I had been on my own traveling through the country for three years I had found that people often turn on you and try to exploit you for their gain especially if you have certain talents Yes I have talents ones that I have worked hard to master and to keep hidden There had been too many experiences of so called friends selling me out or turning me in to the authorities for some small amount of coin Mankind naturally fears what they do not understand **The Law Times Reports** ,1924
