seamen of our Mercantile Marine and I have endeavoured to avoid such a criticism as the following Heaps about other ships but my old barkey was one of the fastest and best known of them all and he dismisses her with a line or two I have made rather a point of giving passage records as they are an everlasting theme of interest when sea men get together and yarn about old ships The memory is notoriously unreliable where sailing records are concerned so I have been most careful to check these from logbooks and Captains reports Even Lloyd s I have found to be out by a day or two on occasions A great deal of my material has Been gathered bit by bit through the past 25 or 30 years Alas Many of the old timers who so kindly lent me abstract logs and wrote me interesting letters have now passed away About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
