The Comings Of Christ:

A Coming Christ in Advent Raymond Edward Brown,1988 Father Brown reflects here not only on those annunciations of Jesus forthcoming birth in the Gospels of Matthew and Luke but also on the beautiful canticles the Magnificat and the Benedictus and on the origins of Jesus as given in the first words of the New Testament *The Coming of Christ* Isaac Massey Haldeman,1906 **The Time of His Coming** Michael Vilardi,2006-04-03 The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself Devoted people continue to wait for his return In the new book *The Time of His Coming* author Michael Vilardi explains to readers how and when Christ will return The book explains the biblical timeframes for all these events then explains why God will allow them to happen The book starts off by explaining the biblical plan for salvation The book then explains all the biblical events that must occur before Christ can return Events such as the Rapture The Tribulation period and Daniels 70th week The book explains why the events happen in the order that they do and what the purpose of each event is Each timeframe is interpreted with the sharpest details to enable readers to fully understand them The book also details who the false prophet Anichrist and two witnesses will be *The Time of His Coming* will undoubtedly provoke thought and attract the attention of many readers especially Christians non Christians and enthusiasts of the End of Time phenomenon For non believers the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers Furthermore readers will be touched as they will be introduced to Gods Great Plan of Love and Salvation for all mankind *The Time of His Coming* is easily one of the most compelling books to read today Order your copy today *Come, Lord Jesus!* Stephen Motyer,2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer s comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the

end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world

The Coming of Christ Jesus Renee Kennedy, 2017-02-27 God Chooses Renee Bankson Kennedy in her weakness and foolishness and for being despised and base to say It is time for the end of the evil age We must recognize Omnipotent God and know Him The truth of the Gospel can save all who believe Jesus Christ is the Truth the Life and the way The Carpenter Jesus built the Church soon Look up for the Coming of Christ Jesus today The Bible is God's inspired Word to instruct all in righteous living Seeking after such a life in Scripture will introduce you to a Great God in three persons it is not impossible to see the father the Son and the Holy Teacher in three persons as one Great God who calls His name I AM You see what you may need today I AM can supply that You are not alone That crystal sea before His throne can supply Almighty God All He needs to know about you not the mortal with a crystal ball but the immortal and all powerful One who reigns over this Universe will tell you your future and what you can do today to prepare yourself for the things which are yet to come in your life God bless you with His wisdom righteousness sanctification and redemption When Renee Bankson Kennedy took her own scriptural Journey through the Bible she became deeply involved in the most fascinating and thrilling answer to everything she did not know The result she shares in this extraordinary and reassuring book that underscores for all today that in this most critical time there is a future and a hope in Christ Jesus

The Second Coming of Christ Richard Cunningham Shimeall,1873 God-fleshed Roy Abraham Varghese,Rachel Varghese,Mary Varghese,2001 Drawing on the rich content of the Scriptures tradition and history God Fleshed offers a comprehensive roadmap of the quest for the Jesus of history and Christ of faith The fact that the Eucharist has taken on the actual form of flesh and blood gives the authors a specific perspective to trace the story of a God who becomes man and dies for humanity **The Second Coming of Christ** Clarence Larkin,2005-11-01 What will become of those who are left behind This is a sad question but it is eagerly asked by many It may readily be supposed that the taking away of loved ones at the Rapture will cause many of those left behind to seek the Lord but as the Holy Spirit goes back with the Church and for the time being ceases His Office Work of Regeneration who is to convert those who are left from The Second Coming of Christ The Reverend Clarence Larkin was one of the most widely influential thinkers on end times prophecies of the early twentieth century and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity This 1918 work outlines exactly what the Bible predicts for the end of mankind s reign on Earth and the return of the Christian savior with a special emphasis on who is to be saved and why Numerous charts and illustrations depict the Judgment Seat of Christ The Stages of the Second Coming the Failure of Man and more Also available from Cosimo Classics Larkin s *The Spirit World Rightly Dividing the Word and The Book of Revelation* American Baptist pastor and author CLARENCE LARKIN 1850 1924 was born in Pennsylvania and later set up his ministry there He wrote extensively and popularly on a wide range of Biblical and theological matters *The Coming Events and Present Duties* Terry Kulakowski,J.C Ryle,2017-10-27 I am sending forth a new and enlarged edition of this volume I have nothing to add or withdraw I see nothing in the state of the Church or the world to make me alter the opinions on prophecy which I expressed twelve years ago I can only say I am more and more convinced as I grow older that to keep our eyes steadily fixed on the second coming of Christ is one great secret of Christian Peace If this volume helps any one reader to cultivate the habit of looking at Christ s coming again as well as Christ crucified and Christ interceding I shall be satisfied J C Ryle The One Coming David Avenell,Phillip Brown,2017-11-03 This book was written as a devotional resource leading up to Christmas It aligns not only with the season of Advent but with Advent s great expectation of hope in a coming Messiah Such hope is grounded in the Psalms and in the Law and the Prophets It is from there that the Old Testament saints looked forward to the coming of Christ the King And it is to there that the New Testament saints looked back to confirm and understand just what happened in Bethlehem and ultimately at the cross on Calvary This is a marvellous little book Phillip and Daniel write clearly helpfully warmly and above all faithfully as they set out the beauty power and significance of the Lord Jesus If you want to

Chronological Signs of the Second Coming of Christ Shaun Bailey,2015-02-17 The second coming of Jesus Christ will be a great day for the righteous and a dreadful day for those who are wicked This book is designed to prepare you to warn you and to answer your questions about the coming of Christ Ultimately the most important thing you can do is to prepare yourself to enter the presence of the Lord Signs is a scriptural guidebook on that journey Author Shaun Bailey has used modern technology and a lifetime of study to search the scriptures for clues that don t just identify the signs of the times but put them in a useful chronological order Over 540 scriptural references and quotes from the prophets are compiled to explore 37 signs in depth and in context This is the first book in a two part series and deals with the events of the sixth seal or the time period before the great and dreadful day of the Lord
