The Second Saladin Stephen Hunter,2010-09-08 A second chance In the windswept sands of the Middle East Paul Chardy fought side by side with Ulu Beg one a charismatic high strung CIA covert warrior the other a ferocious freedom fighter Then Chardy fell into the hands of the enemy and Beg was betrayed Now the two men are about to meet again A second gun Beg has come over the Mexican border under a hail of bullets determined to assassinate a leading American political figure and avenge his people s betrayal The CIA wants Chardy to stop the hit Chardy wants to save Beg s life Between the two men is a tragic past a failed mission and a woman who knew them in war and who knows their secrets now Around both men is a conspiracy of lies and violence that reaches back to the Cold War But as Beg moves in for his kill and as Chardy breaks loose from his handlers a terrible truth begins to emerge somewhere someone wants both men to die
