Bowker's Complete Video Directory ,2000      Karl Barth and Pentecostal Theology Frank D. Macchia, Terry L. Cross, Andrew K. Gabriel, 2024-02-08 The essays in this volume evaluate and build on Barth's theology from the perspective of Pentecostal theology and thereby contribute to constructive Pentecostal systematic theology by using Barth as a valuable dialogue partner At present a theological conversation of Pentecostals with Barth does not exist and this volume fills this void More widely it will aid all those who seek a convergence of the Word and the Spirit in theology Barth and Pentecostals share some important common theological interests Barth's mature theology has a decidedly christological emphasis Likewise historically Pentecostals have often spoken of a full gospel with an emphasis on Christ as savior healer baptizer in the Spirit and soon and coming King with some Pentecostal traditions also adding a fifth emphasis on Christ the sanctifier Furthermore near the end of his life Barth anticipated the possibility of a theology of the third article a theology where the Holy Spirit would dominate and be decisive The realization of Barth's dream is no doubt coming to pass in part through the development of Pentecostal theology in as much as pneumatological theology exploring how pneumatology affects supplements and might reform other doctrines is an emerging paradigm for Pentecostal theology      Film & Video Finder ,1997      **Tornado Forecasting and Severe Storm Warning** United States.
