Tories could it get any worse Spoiler it does Towards the end of 2021 Britain had been frogmarched into an escalating series of surreal calamities Brexit was a disaster the NHS was in crisis the government was bathed head to toe in impropriety senior Tories were still acting as though the public purse was their personal feed trough and the air crackled with anger about PartyGate All of which led to an inglorious start to 2022 the year the UK saw two monarchs three prime ministers and four chancellors From Boris Johnson who trashed our international reputation and handed billions to his mates so they could ineptly fight a pandemic while he stayed at home shagging and acting as a super spreader to Liz Truss a drive by prime minister who managed to kill off the queen and crash the economy in a single week And now we re led by Rishi Sunak who doesn t know how to use a credit card drives a pretend car and grinningly promises even more poverty Four Chancellors and a Funeral delivers more of Russell Jones s signature scathing wit combining a detailed historical record of 2021 and 2022 with acerbic commentary all of it leavened by jokes at the seemingly endless maelstrom of failures nincompoops and hypocrisies

[Humanitarian and Military Intervention in Libya and Syria](#) Aran M. Lewis,2022-12-30 This book explores the contradictions in Britain s humanitarian and military intervention in Libya and Syria beginning with the Arab spring in 2010 The book assesses the contradictions between the expressed humanitarian intentions of British military interveners and the impact of their actions on the putative beneficiary states It demonstrates that as a result of foreign intervention both Libya and Syria were rendered non functional as unitary nations and suffered extensive harm to their people and infrastructure To evaluate the effectiveness and credibility of humanitarian warfare the author conducts a thematic analysis of debates on Libya and Syria in the House of Commons The book provides a detailed study of intentions and motives expressed by Members of Parliament of consequent British state actions and their outcomes and of MPs reactions to outcomes It provides ample evidence of duplicity insincerity indifference to harm and ulterior motives for violence that undermine moral claims and support the argument that although humanitarian warfare may be possible the leading Western activist states Britain France and the USA are poorly qualified to carry it out Illustrating a systemic failure of strategy and accountability in British foreign policy this book will be of interest to scholars

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
