## **Turbulent Priest:**

A Turbulent Priest Jemahl Evans, 2020-06-13 A compelling and evocative re imagining of the events that led to this most infamous of murders full of wit and pathos Hana Cole author of *The Devil's Crossing* BECKET WARRIOR 1159 Toulouse Thomas of London Chancellor of England has spent a lifetime as a clerk administrator and ambassador Now he must prove himself a warrior and leader of men if his friend and master King Henry II of England is to achieve his ambition to rule all France The fiery King and calculating Chancellor are as close as brothers but many at court see Thomas as an upstart Becket must fight on a political as well as military front The city of Toulouse controls trade into Spain and the Mediterranean With it in English hands Henry will control more of the Frankish Kingdom than Louis VII of France The French King and Count Raymond of Toulouse will stop at nothing to save the city and France from the greatest English host ever assembled Thomas and the English army must prove their mettle or be condemned to defeat on foreign soil BECKET REBEL 1164 Northampton Thomas of London the reluctant Archbishop of Canterbury was an ambitious courtier who thought of nothing but pleasing his King Now he must prove to the English church and his former master that he has been directed towards a new calling The fiery King Henry II and calculating Archbishop were once as close as brothers But their professional duties impinge upon their personal relationship Crown and church embodied in the persons of King and Archbishop must confront one another Henry aims to subdue the rebellious clergyman in Northampton but Thomas plans to escape to the Pope in France King Louis of France and Pope Alexander are both wary of supporting the Archbishop and angering the vindictive Henry As agents scour England for the rebel Thomas must evade them and find allies in his perilous dispute with the English King The road to liberty will be a bloody one BECKET MARTYR 1170 Canterbury Thomas of London the rebellious Archbishop of Canterbury has made peace with Henry II after six long years in exile Henry and Thomas are both prepared to put past differences aside but there is little trust left between the two former close friends and allies A single ill judged word or action could spark a conflict between the two men and church and state Thomas's return to England threatens the interests of Henry's barons and his enemies in the church They will stop at nothing to destroy the popular but proud clergyman Back in Canterbury Thomas is intent on taking his revenge on those who conspired against him whatever the consequences News that Thomas has excommunicated royal supporters soon reaches the King It is the last straw for the Henry He explodes in a rage calling on four knights to rid him of his turbulent priest They are words that will resound down the centuries and leave Henry with a lifetime of regret With no hope of a lasting peace between the King and Archbishop there can be only one bloody conclusion Jemahl Evans is the author of the acclaimed Sir Blandford Candy series of novel He lives in West Wales Praise for Jemahl Evans The research is impeccable and the writing full of verve Antonia Senior *The Times* It's great fun and a rollicking good read Historical Novel Society Frankly glorious Michael Jecks *Warrior* is a swift breathless plunge into the high medieval period J A Ironside author of *The King's Knight*      **The Chronicle of the Kings of England** Nathan ben Saddi

ZALMANOVICH,2025-11-24 In Broadcasting Apartheid Tal Zalmanovich explores how television revolutionized the political landscape in postwar Britain and played a pivotal role in the international campaign against apartheid from 1950 to 1990 Drawing on case studies and a diverse array of sources Zalmanovich argues that television s ability to transcend geographical and temporal boundaries proved instrumental in building a global coalition against apartheid in South Africa Moreover she shows how the medium became a key battleground in the broader struggle for racial equality in Britain where debates over apartheid intersected with contemporary discussions about race immigration decolonization and Cold War politics      **Trevor Huddleston** Piers McGrandle,2005-07-19 When the history of Christianity in the 20th Century is written Trevor Huddleston will certainly occupy much space A major figure in the battle against Apartheid in South Africa his book Naught for Your Comfort 1956 changed the perception of liberal Westerners about what was really going on in that tortured land Huddleston was an Anglican monk and thus subject to the rule of obedience He was called back from South Africa when he was at the height of his intellectual and physical powers He was made Bishop of Stepney but like too many clergyman was tainted by accusations of sexual impropriety as a result suffered to the limits of human endurance In his retirement he lived at the mother house of his order in Mirfield Yorkshire but his last years were not happy ones as he faded from public attention and underwent periods of deep depression and uncertainty about his fundamental beliefs Piers McGrandle s new biography of Huddleston is ground breaking in its analysis of what makes men great But it also brings the reader down to earth with a thud in showing how profoundly complex are the motivations of Christians who have wide influence As a study in human psychology McGrandle raises issues which may be applied to many so called saints After the collapse of Apartheid Huddleston was able to return to South Africa but never received the recognition that he thought he deserved and this also tortured him      **Great**
