BOOK JACKET *Turkey Tales* Lauren Abby,2019-02-23 Turner is a wild turkey and likes playing with his friends Delila the deer and Steve the squirrel They chase each other around and just have fun really but sometimes they fall out with each other over silly little things An example of this was when Turner the wild turkey stood on a tree branch and showed off to his friend Steve the squirrel He thought that he couldn t do the same as he could but he was wrong about this As a result this turns into a massive argument and Delila the deer runs away Will she ever come back Will Turner the wild turkey and Steve the squirrel ever stop arguing

Turkey Tails and Tales from Across the Usa Tom Doc Weddle,2013-06 This book is a collection of stories written by one of America s most traveled and experienced turkey hunters a man who has taken multiple toms from 49 states Such a feat didn t come easily so you might expect these pages to fairly drip with wise words of wisdom and sage advice on how to hunt those wily elusive birds and they do However Doc Weddle didn t write an instruction manual Instead he takes the reader on a trip down memory lane to recall exciting hunts which helped shape him into becoming the true Turkey Man that he is today Novice or veteran readers alike will undoubtedly gain valuable knowledge here but the author is first and foremost a storyteller and he has written this book simply to entertain his audience in a manner reminiscent of outdoorsmen standing around campfires and sharing the colorful details of their hunts with cohorts and companions Tom Doc Weddle is a carpenter from Bloomington Indiana Infected by the turkey hunting bug some 30 years ago he is a man completely unable to resist the siren song of the wild turkey s mesmerizing gobble and any springtime morning will likely find him in hot pursuit of his favorite gamebird Unwilling to compromise those glorious months of March April or May by doing anything besides hunting this fellow has long been one of the most die hard turkey chasers in the nation In fact he stands tall amongst his peers by accounting for not just one but two U S Slams harvesting a wild turkey in every state except Alaska Even more impressive is that Doc hunts without benefit of guides or outfitters and the vast majority of his exploits take place on public lands It won t hurt his feelings one bit if you call this guy a turkey hunting fanatic

hunter above anything and everything else in life Still to this day nothing thrills him more than standing on a hardwood ridge at the crack of dawn listening to those same melodious notes as the King of Spring rattles the woods apart with reverberating gobbles That s when the stars all align for this Turkey Man and that s when he most feels alive
