Henry James

Turn Of The Screw:

The Turn of the Screw James H.,2001 XIX XX **The Turn of the Screw and Other Stories** Henry James,2008-04-17 A young inexperienced governess is charged with the care of Miles and Flora two small children abandoned by their uncle at his grand country house She sees the figure of an unknown man on the tower and his face at the window It is Peter Quint the master s dissolute valet and he has come for little Miles But Peter Quint is dead Like the other tales collected here Sir Edmund Orme Owen Wingrave and The Friends of the Friends The Turn of the Screw is to all immediate appearances a ghost story But are the appearances what they seem Is what appears to the governess a ghost or a hallucination Who else sees what she sees The reader may wonder whether the children are victims of corruption from beyond the grave or victims of the governess s infernal imagination which torments but also entrals her The Turn of the Screw is probably the most famous certainly the most eerily equivocal of all ghostly tales Is it a subtle self conscious exploration of the haunted house of Victorian culture filled with echoes of sexual and social unease Or is it simply the most hopelessly evil story that we have ever read The texts are those of the New York Edition with a new Introduction and Notes ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

The Turn of the Screw Henry James,2013 The Turn of the Screw is a novella short novel written by Henry James Originally published in 1898 it is ostensibly a ghost story Due to its ambiguous content it became a favorite text of academics who subscribe to New Criticism The novella has had differing interpretations often mutually exclusive Many critics have tried to determine the exact nature of the evil hinted at by the story An unnamed narrator listens to a male friend reading a manuscript written by a former governess whom the friend claims to have known and who is now dead The manuscript tells the story of how the young governess is hired by a man who has become responsible for his young nephew and niece after the death of their parents He lives mainly in London and is not interested in raising the children himself The boy Miles is attending a boarding school while his younger sister Flora is living at a country estate in Essex She is currently being cared for by the housekeeper Mrs Grose The governess s new employer the uncle of Miles and Flora gives her full charge of the children and explicitly states that she is not to bother him with communications of any sort The governess travels to her new employer s country house and begins her duties Miles soon returns from school for the summer just after a letter arrives from the headmaster stating that he has been expelled Miles never speaks of the matter and the governess is hesitant to raise the issue She fears that there is some horrid secret behind the expulsion but is too charmed by the adorable young boy to want to press the issue Soon thereafter the governess begins to see around the grounds of the estate the figures of a man and woman whom she does not recognize These figures come and go at will without ever being seen or challenged

by other members of the household and they seem to the governess to be supernatural She learns from Mrs Grose that her predecessor Miss Jessel and another employee Peter Quint had had a sexual relationship with each other and had both died Prior to their deaths they spent much of their time with Flora and Miles and this fact has grim significance for the governess when she becomes convinced that the two children are secretly aware of the presence of the ghosts Later Flora leaves the house while Miles plays music for the governess They notice Flora s absence and go to look for her The governess and Mrs Grose find her in a clearing in the wood and the governess is convinced that she has been talking to Miss Jessel When she finally confronts Flora Flora denies seeing Miss Jessel and demands never to see the governess again Mrs Grose takes Flora away to her uncle leaving the governess with Miles That night they are finally talking of Miles expulsion when the ghost of Quint appears to the governess at the window The governess shields Miles who attempts to see the ghost The governess tells him that he is no longer controlled by the ghost and then finds that Miles has died in her arms
