Responding to this spiritual hunger James Lucas delves into the mysteries of Scripture demonstrating that biblical contradictions are actually exquisite paradoxes that enlarge our understanding of God With this book as your guide you can embrace the paradoxes of Scripture and pursue honest answers to your hardest questions The study of biblical paradox leads to greater devotion to the majestic God who makes himself known even while he surpasses human understanding Today you can begin Knowing the Unknowable God Steps to Knowing God Correna R. About the book Throughout history the knowledge of the Person of the God of the Bible has never been as vague as it has become in our day In recent times Christians have been found walking away from God and the faith Sadly the reasons for this singular decision is that they neither understood God nor the system of His Kingdom In other words they became spent practicing dead religion and weary of remaining spiritually unfulfilled after so many years of practice This book is an attempt to solve this problem Every believer ought to know and understand that the God of the Bible is not formless He is real and wants to be known He has neither hidden Himself from man nor shrouded the things of the kingdom in mystery as many believe God isn t too mysterious to be figured out and He is not going to strike dead anyone who attempts to figure Him out He wants you to know Him and understand Him God has often been misrepresented and misunderstood and that is the reason why we have not loved Him more This book ONE Understanding the God of the Bible takes you through scriptures and establishes your heart in Whom the Bible says God is The author helps the reader to see that God isn t shrouding Himself in mysticism rather it is His desire to reveal Himself to man in order to deepen man s confidence and trust in Him in a loving relationship As you read and become more conscious of the person nature and character of GOD Almighty may you be saturated with an increasing measure of the manifested presence of God that will cause you to do great faith exploits in Jesus Name **Knowing God** Frank Sheed,2012-01-01

Atheists deny we can know God because they deny there is a God to know But even believers who affirm Gods existence sometimes dont know him They dont know much about God because they neglect to think much about God and what God has revealed about himself They accept that there is a God but they dont give much thought to what God is like And even if they know a great deal about God in the sense of being able to state truths about him they dont necessarily know him personally and intimately In Knowing God previously titled God and the Human Mind the great Catholic writer teacher and publisher Frank Sheed helps readers to know that God exists to think about who and what God is and to know God personally He clears away popular misunderstandings of God often held by otherwise knowledgeable people A masterful lucid writer Sheed is not timid about tackling the most challenging questions the human mind can pose about God yet he does not reduce divine mystery to dry propositions or neglect the necessity of faith Sheed acknowledges the limits of human words and human minds when it comes to God At the same time he carefully explains the

meaning of Spirit the role of theology and revelation including the place of the Bible in the Church and the experience of God in mysticism In the final section Sheed goes into the heart of the mystery of God exploring God as the Trinity and the difference the Trinity should make in understanding God and ourselves

Knowing God James Innell Packer,2005-01-01
For more than 30 years J I Packer s classic book Knowing God has revealed to well over a million readers the wonder glory and the joy of knowing God It continues to sell in tens of thousands to Christians around the world

Understanding and Knowing God St Petersbell Jigo,2013-09
This book is about the overwhelming influence of God s love that draw men to understand by the superior intelligence of inspired faith the need to escape from soul damning attitudes such as the vanity of basking in the deceitful illumination of human wisdom power and riches We escape via revelation knowledge of God in Jesus Christ the ultimate expression of everything that could possibly be understood and known of God consisting in Loving kindness which entails mercy and grace His Judgment in that when God judged humanity s sins in Christ and acquitted us sinners justice was served fully And any man who appropriates this verdict has escaped the dreadful judgment of the final day and Righteousness which reveals God illogically as the justifier of the ungodly in the sense that righteousness is the gift of God s lifestyle freely imputed to men who dare receive it by faith in Jesus Christ which would in turn trigger a demonstration in the receiver of the free gift the power and immortal glory of God s unending life by the Spirit of grace

St PetersBell Jigo walks in a mighty anointing by a gift of unusual faith in the God she fondly describes as Almighty in loving man At the early age of 7 God showed her the Wonder of The rainbow encircled Throne of God thus maturing her tender heart to understand the authority of God s compassion for hurting humanity and has thus driven her to incite men to dare hope and trust in God The one cry of her heart is O LORD let the tears of humanity stop at my appearing She articulates that desire through spreading the Gospel of the grace of Jesus Christ and philanthropy St PetersBell lives in Nigeria with her husband Jerry and their daughter Holy
