**Understanding Paul** Stephen Westerholm, 2004-08-01 Two thousand years later Paul attracts more attention than any other figure from antiquity besides one writes Stephen Westerholm Why the fascination with the apostle Paul Westerholm explains that Paul remains such a compelling figure because he was a man completely captivated by a particular way of looking at life Using the themes of the Epistle to the Romans Westerholm helps readers understand the major components of Paul's vision of life He delves into the writings of the Old Testament explores their influence on Paul and engages contemporary readers in a thought provoking reconsideration of their own assumptions about faith theology and ethics This insightful introduction gives postmodern readers especially those with little or no biblical background a necessary big picture look at Paul's view of reality *Understanding Paul* Peter Frick, 2023-09-04 Peter Frick argues that the key issue to which the apostle Paul correlates the death and resurrection of Jesus Christ is the power of sin Sin singular is an ontological existential category and distinct from sins plural For the death of Jesus to be effective in overcoming the power of sin salvation is established strictly in the new ontology of the resurrection of Jesus **Understanding Paul and His Letters** Branick, Vincent P., 2009 *Understanding Paul and His Letters* is a seminal text in that it traces the development of the main lines of Paul's theology and faith through each of his letters **Understanding Paul's Writings Volume 1** Jacie C. Rowe, 3rd, Jacie Rowe, III, 2025-03-19 *Understanding Paul's Writings* is Volume 1 of the Holy Spirit Series a collection of books designed to help novice learners navigate and comprehend the Bible using scripture rather than personal interpretation The series follows the biblical instruction from Isaiah 28:10 For precept must be upon precept precept upon precept line upon line line upon line here a little and there a little Many so called Christians have not been properly taught how to read the Bible My goal is to share what God has blessed me with so that everyone has the opportunity to understand what is necessary to attain eternal life after the body expires As stated in 2 Peter 3:16 regarding Paul's writings As also in all his epistles speaking in them of these things in which are some things hard to be understood which they that are unlearned and unstable wrest as they do also the other scriptures unto their own destruction I pray that all people have the chance to follow the right path to the kingdom of heaven by gaining a true understanding of Jesus gospel **Encountering Paul** Tatha Wiley, 2010-01-16 Fascinating controversial yet enigmatic the figure of the apostle Paul looms large in Christian history But which Paul is the true one Is it the Paul who proclaims our freedom in Christ or the Paul who demands that slaves obey their masters The Paul who works closely with women evangelists or the Paul who instructs women to submit to the rule of their husbands Is it the deeply Jewish Paul or the Paul who rejects the Law Drawing on the literary and historical insights that have revolutionized contemporary Paul scholarship Tatha Wiley skillfully separates these different voices of Paul and their liberating and oppressive legacies In her well crafted work Wiley not only illumines the authentic historical Paul but also accounts for his influence in the history of slavery male domination and religious exclusivism *Encountering Paul* is a welcome

Kanniah,2018-12-13 Joy in the Christian life has never been a divine suggestion but an indelible part of His new creation yet we have found that much of what is today dubbed Christianity lacks this intrinsic feature As to naming the source of the problem we have found many views But this author has but one to name and that is the laziness of modern Christians in understanding their position in Christ Christians do not make the study of the scriptures a lifestyle Joy as a concept was God s invention not man s and yet today people are convinced that they can obtain this blessing without Him He gave it and outlined only in His Word how to get it and keep it This is why I call it a theology and not a philosophy It requires thinking biblically A pastor of a local church and loves teaching the Bible verse by verse      The Apostle Paul Auguste Sabatier,1899
