

Victorian Oxford

W R. Ward

Victorian Oxford:

Victorian Oxford W R. Ward, 2016-06-17 First published in 1965 this book explores Oxford in the Victorian period providing accounts of the development in the constitutional organisation of the city and the political standing and the studies of the university Employing a wide range of original material this work paints a detailed and fascinating picture of nineteenth century Oxford This work will be of interest to those studying the history of universities and Victorian cities *Creative Oxford* William S. Knickerbocker, 1925 **The New Oxford Book of Victorian Verse** Christopher Ricks, 1987 An anthology of 560 poems from the Victorian era Universities and the State in England, 1850-1939 Keith Vernon, 2004-09-16 The question of the relationships between universities and the state is one of considerable current concern and debate This book studies the development of the modern university system in England from the mid nineteenth century to the outbreak of the Second World War focusing on the role of the state In this formidable study the author covers a range of key areas including a review of the reforms of the ancient universities the creation of civic universities and the formation of the federal London University an examination of the co-ordinated system in the early years of the twentieth century and the inter-war period an analysis of universities as modernising agencies of the state a discussion of such issues as technical versus literary curricula the clash between central and local authorities and the output of universities in terms of the needs of the state and the economy Students of history and education academic historians will find this an informative and important text *Oxbridge Men* Paul R. Deslandes, 2005-05-04 The mythic status of the Oxbridge man at the height of the British Empire continues to persist in depictions of this small elite world as an ideal of athleticism intellectualism tradition and ritual In his investigation of the origins of this myth Paul R Deslandes explores the everyday life of undergraduates at Oxford and Cambridge to examine how they experienced manhood He considers phenomena such as the dynamics of the junior common room the competition of exams and the social and athletic obligations of intercollegiate boat races to show how rituals activities relationships and discourses all contributed to gender formation Casting light on the lived experience of undergraduates *Oxbridge Men* shows how an influential brand of British manliness was embraced altered and occasionally rejected as these students grew from boys into men *The Oxford Handbook of the Victorian Novel* Lisa Rodensky, 2013-07-11 Much has been written about the Victorian novel and for good reason The cultural power it exerted and to some extent still exerts is beyond question The Oxford Handbook of the Victorian Novel contributes substantially to this thriving scholarly field by offering new approaches to familiar topics the novel and science the Victorian Bildungsroman as well as essays on topics often overlooked the novel and classics the novel and the OED the novel and allusion Manifesting the increasing interdisciplinarity of Victorian studies its essays situate the novel within a complex network of relations among for instance readers editors reviewers and the novelists themselves or among different cultural pressures the religious the commercial the legal The handbook's essays also build on recent bibliographic work of remarkable scope and detail responding to the growing attention to print culture

With a detailed introduction and 36 newly commissioned chapters by leading and emerging scholars beginning with Peter Garside's examination of the early nineteenth century novel and ending with two essays proposing the last Victorian novel the handbook attends to the major themes in Victorian scholarship while at the same time creating new possibilities for further research. Balancing breadth and depth the clearly written nonjargon laden essays provide readers with overviews as well as original scholarship an approach which will serve advanced undergraduates graduate students and established scholars. As the Victorians get further away from us our versions of their culture and its novel inevitably change this Handbook offers fresh explorations of the novel that teach us about this genre its culture and by extension our own.

The Oxford Handbook of Victorian Medievalism Joanne Parker, Corinna Wagner, 2020 The Oxford Handbook of Victorian Medievalism Covers all aspects of medievalism in Victorian Britain Contextualizes the phenomenon historically with chapters looking at earlier centuries Relates Victorian medievalism to medievalism in other countries Book jacket [The Oxford Handbook of Victorian Literary Culture](#) Juliet John, 2016-07-14 The Oxford Handbook of Victorian Literary Culture is a major contribution to the dynamic field of Victorian studies This collection of 37 original chapters by leading international Victorian scholars offers new approaches to familiar themes including science religion and gender and gives space to newer and emerging topics including old age fair play and economics Structured around three broad sections Ways of Being Identity and Ideology Ways of Understanding Knowledge and Belief and Ways of Communicating Print and Other Cultures the volume is sub divided into nine sub sections each with its own lead essay on subjectivity politics gender and sexuality place and race religion science material and mass culture aesthetics and visual culture and theatrical culture The collection like today's Victorian studies is thoroughly interdisciplinary and yet its substantial Introduction explores a concern which is evident both implicitly and explicitly in the volume's essays that is the nature and status of literary culture and the literary from the Victorian period to the present The diverse and wide ranging essays present original scholarship framed accessibly for a mixed readership of advanced undergraduates graduate students and established scholars

The Butcher, The Tailor, The Picture-Frame Maker... Gareth Winrow, 2023-02-28 As she awaits her execution at Oxford Castle a newly wed woman from a God fearing family convicted for murdering her housemaid is pardoned at the last minute by King George II A butcher suddenly disappears and changes his identity after the tragic death of his young wife A picture frame maker from humble origins becomes the richest man in Oxford and is at ease socialising with the luminaries of the Victorian art world And a lovestruck local member of parliament with a serious gambling addiction dies in suspicious circumstances These are some of the stories of individuals connected with the land and property on Middle Way in Summertown Oxford where the author now lives The book presents an alternative history of Oxford and explores how Summertown evolved from being primarily an artisans village to becoming a well heeled suburb of Oxford Extensively referenced and using archival sources and interviews a voice is also given to the living relatives of people connected with the land and property on Middle Way

Bookman's

Manual Bessie Graham,1921 Blackwood's Edinburgh Magazine ,1901 *The Bookman's Manual* Bessie Graham,1921
Reader's Adviser and Bookman's Manual ,1921 **The Cosmopolitan Interior** Judy Neiswander,2008 Judith
Neiswander explains that during these years liberal values individuality cosmopolitanism scientific rationalism the
progressive role of the elite and the emancipation of women informed advice about the desirable appearance of the home In
the period preceding the First World War these values changed dramatically advice on decoration became more nationalistic
in tone and a new goal was set for the interior to raise the British child by the British hearth Neiswander traces this evolving
discourse within the context of current writing on interior decoration writing that it is much more detached from social and
political issues of the day BOOK JACKET *English Poetry* Newberry Library,1918 **Eclectic Magazine of Foreign
Literature, Science, and Art** ,1904 *Littell's Living Age* ,1904 *The Living Age* ,1904 **Eclectic Magazine of
Foreign Literature** ,1904 The Eclectic Magazine of Foreign Literature, Science, and Art ,1904
