**Mechanics** Henry Haven Windsor, 1919 **Social Ethics** Thomas A. Mappes, Jane S. Zembaty, 1982 In its seventh edition Social Ethics Morality and Social Policy continues to provide material that will encourage reflective and critical examination of key contemporary moral problems With additional readings and a new organization that groups related chapters together under four categories this edition enhances the teachability that was the most salient characteristic of previous editions The text maintains its ability to bring the central issues into clear focus while allowing supporting arguments for widely diverse positions to be presented by those who embrace them *Vice & Virtue in Everyday Life* Christina Hoff Sommers, Fred

Sommers, 2000 Vice and virtue in everyday life is a bestseller in college ethics because students find the readings both personally engaging and intellectually challenging Under the guidance of classical and modern writers on morality students using this textbook come to grips with moral issues of everyday life They discover that some currently fashionable approaches to morality such as egoism and relativism have long histories They also become acquainted with the debates and criticisms of various moral doctrines learning central ethical theories and methods for reasoning about moral issues in the process Back cover **Life and Death** Louis P. Pojman, 2000 This anthology examines 11 key issues dealing with the

beginning and end of life and presents a balanced set of 67 classic and contemporary readings on each of them It is unique in its coverage of applied ethics medical topics and broad theoretical considerations of issues of life and death the sanctity of life versus the quality of life and the meaning of life and death The section on Ethical Theory covers the classic theories as well as ethical relativism to orient students to the nature and importance of ethics The section on the sanctity of life versus the quality of life examines a vital but often neglected issue in moral philosophy Introductions and study questions
