Home Learning Year by Year, Revised and Updated Rebecca Rupp, 2020-01-21 A comprehensive guide to designing homeschool curriculum from one of the country's foremost homeschooling experts now revised and updated Homeschooling can be a tremendous gift to your

children a personalized educational experience tailored to each kid's interests, abilities, and learning styles. But what to teach and when and how? Especially for first-time homeschoolers, the prospect of tackling an annual curriculum can be daunting. In *Home Learning Year by Year*, Rebecca Rupp presents comprehensive plans from preschool through high school covering integral subjects for each grade with lists of topics commonly presented at each level, recommended resource and reading lists, and suggestions for creative alternative options and approaches. Included along with all the educational basics are techniques and resources for teaching everything from philosophy to engineering, as well as suggestions for dealing with such sensitive topics as sex education. Now revised throughout with all new updates featuring the most effective and up-to-date methods and reading guides to homeschool your child at all ages, *Home Learning Year by Year* continues to be the definitive book for the homeschooling parent.

Home Learning Year by Year Rebecca Rupp, 2009-02-04

Finally, homeschoolers have a comprehensive guide to designing a homeschool curriculum from one of the country's foremost homeschooling experts. Rebecca Rupp presents a structured plan to ensure that your children will learn what they need to know when they need to know it from preschool through high school. Based on the traditional pre-K through 12th grade structure, *Home Learning Year by Year* features the integral subjects to be covered within each grade. Standards for knowledge that should be acquired by your child at each level. Recommended books to use as texts for every subject. Guidelines for the importance of each topic, which knowledge is essential, and which is best for more expansive study based on your child's personal interests. Suggestions for how to sensitively approach less academic subjects such as sex education and physical fitness.
