in reading and writing This book will guide teachers in assigning scaffolding and assessing multigenre research assignments
including how to choose a topic pace the work and keep writers on track to achieve specific goals Chapters are arranged by
topic with each containing a description of the educational rationale for the topic an introductory activity that serves as an
inspiration for students in selecting a topic and field tested minilessons with step by step instructions All the traditional
elements of a research paper quotations from experts works cited explanation synthesis and analysis are brought to life as
students animate information with emotion and imagination An additional chapter describes how teachers have adapted this
project for other subjects such as social studies science and literature Book Features Prompts focused on home culture
inclusive model texts and support for diverse language proficiencies Correlations between writing skills and the Common
Core State Standards including academic citation and reading historical documents and other nonfiction texts Practical
management strategies for teaching large writing projects including prewriting drafting revising proofreading and publishing
Publication options that include everything from paper crafting to multimodal composition A companion website with
downloadable handouts and additional teaching strategies Engaging Writers with Multigenre Research Projects is
pedagogically groundbreaking signaling a critical and principled shift in our understanding of what it means to teach
research in the writing classroom Mack s approach heralds the beginning of a new era one that insists on relevancy as the
cornerstone to effective teaching and a deep acknowledgment that students bring with them to the classroom valuable
resources experiences and well developed literacies the necessary context for engaging in meaningful research and
substantive writing 8212 Jacqueline Preston assistant professor Utah Valley University In Engaging Writers with Multigenre
Research Projects Nancy Mack is both a scholar and an experienced teacher just down the hall who generously shares
strategies rationale and teaching tips You ll find insightful discussions about the form and function of genres minilessons to
launch students writing and advice about research feedback and assessment of projects that meld fact and imagination She
accomplishes this through clear uncluttered writing that is at once practical and provocative Engaging Writers with
Multigenre Research Projects will help you support and stretch your students It did for me Tom Romano John Heckert
