

HUGH LUNN

A man in a dark suit and tie is shown from the chest up, looking slightly to the right. He is holding a white sign with black text. The background is a collage of images, including a newspaper masthead with the word 'STREET' visible, a landscape with a river, and two small portraits of men at the bottom.

Working For Rupert:

Freedom in the East Renate M. Schulz,2024-12-20 Freedom in the Middle Ages was often based on feudalism Most people were tied to the land and their lord of the manor But it also had its protections as well as its hardships Follow the story of the young man Rupert Tide who left the oppressive crushing serf ship He forged a new path of freedom in the East He overcame much hardship but prevailed About the Author Renate M Schulz was born in 1933 A D in a European country in a farming area In writing her book she used the Christian Bible as a guideline for farm work since those people had no electricity in the Bible times either Schulz worked as a secretary bookkeeper wife mother of six in office environments She is a daily reader of the Chicago Tribune newspaper She read so many horror stories in there and decided to give her story an uplift Schulz wants her story to be fun reading to make the heroes in her book mostly successful When the night for a senior takes long reading a happier story seems to fill in the extra hours in retirement *Sexualities, Work and Organizations* James Ward,2007-10-04 Innovative and well written *Sexualities Work and Organizations* brings together and relates stories of minority sexual identity from six organizations drawn from three different industry sectors **Christian Work** ,1894
