**The Masters and the Path** Charles W. Leadbeater, 2015-10-13 FOREWORD There is only one reason why I should write this Foreword to the book written by my honoured colleague It speaks of many things which have hitherto been studied and discussed within a comparatively small circle consisting of students well versed in Theosophical knowledge and ready to study statements concerning regions which they could not yet enter for themselves but hoped to enter later and then to verify for themselves the statements made by their seniors The rapid changes in the world of thought arising from the nearness of the Coming of the World Teacher render useful some information as to a part of the world in which He lives information which may perhaps to some extent prepare the public mind for His teachings Be that as

it may I desire to associate myself with the statements made in this book for the accuracy of nearly all of which I can personally vouch and also to say on behalf of my colleague as well of myself that the book is issued as a record of observations carefully made and carefully recorded but not claiming any authority nor making any demand for acceptance It makes no claim to inspiration but is only an honest account of things seen by the writer ANNIE BESANT **The Masters and the Path** Charles Webster Leadbeater,1959 Calcutta Review ,1928 *The Indian Social Reformer* ,1928 *Masters and the Path* Charles Webster Leadbeater,1975 **The Message of the Star** Pestanji Temulji Pavri,1926 *On the Path* Genevive Mae Hilliard Francis,1928 **The Angelic Hosts** Geoffrey Hodson,1928 The Hidden Life in Freemasonry Charles Webster Leadbeater,1926 The Masonic fellowship differs from all other societies in that candidates for membership have to join it blindfold and cannot receive much information about it until they actually enter its ranks Even then the majority of Masons usually obtain only the most general idea of the meaning of its ceremonies and seldom penetrate further than an elementary moral interpretation of its principal symbols In this book it is the object while preserving due secrecy upon those matters which must be kept secret to explain something of the deeper meaning and purpose of Freemasonry in the hope of arousing among the Brn a more profound reverence for that of which they are the custodians and a fuller understanding of the mysteries of the Craft Although the book is primarily intended for the instruction of members of the Co Masonic Order whose desire as is expressed in their ritual is to pour the waters of esoteric knowledge into the Masonic vessels the author hopes nevertheless that it may appeal to a wider circle and may perhaps be of use to some of those many Brn in the masculine Craft who are seeking for a deeper interpretation of Masonic symbolism than is given in the majority of their Lodges showing them that in the ritual which they know and love so well are enshrined splendid ideals and deep spiritual teachings which are of the most absorbing interest to the student of the inner side of life *The Masters and the Path of Occultism. (Second Printing.)*. Gottfried DE PURUCKER,1946 **The Eternal Verities, for the Teachers of Children** ,1920 **Masters and the Path** C. W.
