The Message Of Daniel:

The Message of Daniel Dale Ralph Davis, 2024-04-02 In this Bible Speaks Today volume former pastor and professor Dale Ralph Davis explains the background of Daniel analyzes the stories and visions within it and sifts through interpretative issues While acknowledging the challenges of the book Davis reveals how it offers a realistic manual for the saints in the present day

Hearing the Message of Daniel Christopher J. H. Wright, 2017-02-28 In many corners of the world these days the climate of hostility hangs over any overt Christian faith commitment Any kind of Christian commitment is now assumed to imply intolerance and often prompts reactions that range from a low grade hostility and exclusion in the West to the vicious and murderous assaults on Christian believers in Pakistan Nigeria Kenya Egypt Syria and Iraq and elsewhere Such issues are not new Christians have faced them ever since Nero's lions and even before that Jews also have faced the same questions all through their history most tragically sometimes enduring horrendous persecution from states claiming to be Christian So it is not surprising that the Bible gives a lot of attention to these questions The book of Daniel tackles the problem head on both in the stories of Daniel and his friends and in the visions he received A major theme of the book is how people who worship the one true living God the God of Israel can live and work and survive in the midst of a nation a culture and a government that are hostile and sometimes life threatening What does it mean to live as believers in the midst of a non Christian state and culture How can we live in the world and yet not let the world own us and squeeze us into the shape of its own fallen values and assumptions The book was written to encourage believers to keep in mind that the future no matter how terrifying it may eventually become rests in the hands of the sovereign Lord God and in that assurance to get on with the challenging task of living in God's world for the sake of God's mission

The Book of Daniel, 2008 Although the book of Daniel was written 2 500 years ago it contains God's message especially for the present time However it is about more than just an earthly battle between world powers Before our very eyes a cosmic battle between good and evil is being played out Daniel's vision of the end shall be hope for all Christians who take the message of the bible seriously

The Message of Daniel Ronald S. Wallace, 1993

The Message of Daniel Ronald S. Wallace, 1984-08-13 God had allowed the unthinkable to happen His people were in exile in Babylon His promises seemed shattered Was God really in control Was he still faithful Did he still care One young man Daniel affirmed that he did It was not without struggle and it cost him to do so But echoing through the centuries of history and resounding from the future that was revealed to him came the proclamation The Lord is King even in Babylon Parts of the book of Daniel have always been popular the exciting stories of three men in a fiery furnace Daniel in the den of lions and the strange handwriting on the wall which struck terror in the heart of the Babylonian king But beyond the drama the modern reader faces the enigmatic prophecies of the future What do they mean Were they for Daniel's near future or for ours Ronald S Wallace cuts through these difficulties and exposes the background and message of Daniel for both his day and ours

Interpreting Daniel for Preaching and Teaching Thomas J. Finley,Brandon R. Cash,2024-01-24 Daniel is a book intended to be read thoroughly from beginning to end The final verse 12 13 promises a restoration of what was lost in the first two verses 1 1 2 Between these bookends with artistic flare historical accuracy and apocalyptic hope Daniel encourages readers that God was is and always will be in control The book s portrayal of God its rich theology and its contribution to the spiritual formation of God s people influenced Jesus the New Testament writers and the early church and it deserves a place of prominence in the church today With substantive exegesis clear exposition and relevant teaching outlines Interpreting Daniel for Preaching and Teaching helps preachers and teachers to unpack Daniel s significance for the church today *The Message of Daniel 7:9-14 in Its Historical Context* Steven Grande,1994 **The Visions of Daniel the Hebrew Prophet** Robert Johns,2012 For centuries controversy has raged over the authorship and genuineness of the book of Daniel Is it an authentic document from the sixth century before the Common Era with a message from God to postexilic Israel or is it a

forged document written centuries later to encourage Israelites being oppressed by the Seleucid king Antiochus Epiphanes Robert Johns addresses these issues and more in his thesis on Daniel s visions Importantly Johns establishes when Daniel was provided with his visions and he defines why God provided Daniel with the visions The Visions of Daniel the Hebrew Prophet examines the metal image the beast with eleven horns the Seventy sevens chapter eight s little horn and the 2 300 evening mornings It demonstrates that the enigmatic 1 290 days and 1 335 days are anything but enigmatic and it identifies the reason why Daniel s fifth and final revelation is so detailed Appendices address issues of general nature such as the historicity of Jesus the Christ the popularity of dispensationalism the identity of the abomination that desolates and the integrity of novels representing the Christian fiction genre which focus on a seven year tribulation period at the end of history This book will be of value to every Christian who has an interest in Bible prophecy and eschatology *Daniel (Understanding the Bible Commentary Series)* William B. Nelson,2013-01-01 William Nelson s section by section commentary on Daniel is the newest volume in the Understanding the Bible Commentary Series This user friendly commentary series helps any reader navigate the sometimes difficult terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become clear to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the easily understandable truth found in this commentary series **Daniel** Colin Chapman,2025-04-17 To say that Daniel is a difficult book would be an understatement We can easily be seduced by seemingly intelligent but actually misguided interpretations of Daniel s esoteric visions Or we can be tempted to just give up trying to understand them There is a better way In this informed and readable book Colin Chapman guides us towards making good sense of the Book of Daniel Far from being impenetrable or irrelevant Chapman shows us how to hear its important message for the people of God today **The Book of Daniel** Brian D. Walker,2023-04-24 About the Book The Book of Daniel Adopt and Die starts in 1989 with a three year old boy who is severely abused and neglected by his heroin using parents He is punished for not cleaning the apartment every morning including the used syringes left by users who have slept on mattresses the previous night When a social worker sees him being used as a mule to pick up the drugs his parents sell she calls DSS but not before he has been infected with HIV Before the cops arrive the boy is driven to a pedestrian mall and abandoned The police are called and the boy is turned over to DSS The social worker brings him to a disillusioned doctor who maintains his doctor s license but now writes mysteries to fill his time and takes abused children in for foster care The doctor takes Daniel in and the story really begins About the Author Brian D Walker is a United States Air Force Veteran He programmed computers for thirty five years and is now retired In the past he has enjoyed amateur photography but can no longer do so due to his failing eyesight He has been thinking about this book for more than ten years but he only started writing it in the last five years using computer visual
