Sixth Wife:

The Sixth Wife Jean Plaidy, 2009-02-04 Dangerous court intrigue and affairs of the heart collide as renowned novelist Jean Plaidy tells the story of Katherine Parr the last of Henry VIII's six queens Henry VIII's fifth wife Katherine Howard was both foolish and unfaithful and she paid for it with her life Henry vowed that his sixth wife would be different and she was Katherine Parr was twice widowed and thirty one years old A thoughtful well read lady she was known at court for her unblemished reputation and her kind heart She had hoped to marry for love and had set her heart on Thomas Seymour the dashing brother of Henry's third queen But the aging king more in need of a nurse than a wife was drawn to her and Katherine could not refuse his proposal of marriage Queen Katherine was able to soothe the King's notorious temper and his three children grew fond of her the only mother they had ever really known Trapped in a loveless marriage to a volatile tyrant books were Katherine's consolation But among her intellectual pursuits was an interest in Lutheranism a religion that the king saw as a threat to his supremacy as head of the new Church of England Courtiers envious of the Queen's influence over Henry sought to destroy her by linking her with the radical religious reformers Henry raged that Katherine had betrayed him and had a warrant drawn up for her arrest and imprisonment At court it was whispered that the king would soon execute yet another wife Henry's sixth wife would have to rely on her wits to survive where two other women had perished

The Sixth Wife Suzannah Dunn, 2011-02-15 A gripping novel of love passion betrayal and heartbreak in the unstable Tudor court following the death of King Henry VIII Clever level headed Katherine Parr has suffered through four years of marriage to the aging and irascible King Henry VIII and she has survived unlike the five wives who came before her But less than a year after the old king's death her heart is won by the dashing Thomas Seymour and their hasty union undoes a lifetime of prudent caution An unwilling witness to the queen's late blossoming love Catherine Duchess of Suffolk harbors nagging suspicions of Kate's handsome and ambitious new husband But as Catherine is drawn deeper into the web of politics ensnaring her oldest friend it gradually becomes clear that she has her own dark tale to tell For though Thomas might betray his wife for power Catherine might betray her for passion risking everything she has in a world where love is a luxury not even royalty can easily afford
