Understanding Soviet Politics Cyril Edwin Black, 1986

Understanding Soviet Politics Cyril E. Black, 2020-06-07 To what extent did the Russian revolution of 1917 bring about the changes wanted by the Bolsheviks Why did many of these changes fail to materialize How has the Russian heritage adapted to the challenges facing all modernizing societies What does Russia's past tell us about the present role of the USSR in world affairs In this collection of essays which includes new part and chapter introductions Dr Black discusses these questions examining the major issues that shape our understanding of Soviet politics Beginning with a general exploration of the ways the traditional heritage of the Russian empire has both helped and hindered the adaptation of Soviet society to the contemporary world he illustrates the extent to which the Russian empire was already evolving into a modern society before World War I The author analyzes the modernization of the USSR emphasizing the interaction of tradition and modernity and the ways the Russian heritage of institutions and values has been adapted since 1861 to the needs of political development economic growth and social integration Comparisons are made with a wide range of societies first in 1967 the fiftieth anniversary of the Russian revolution and again in the 1980s The book considers the past and present relations of Russia USSR with the outside world in the context of universal societal changes Dr Black discusses such questions as the differences between the foreign policy objectives of Czarist Russia and the Soviet Union the degree to which Russia USSR has been able to influence other countries through means other than military power and drawing on his experience in Bulgaria the origins of the cold war The book concludes with Dr Black's personal interview with Nikita Khrushchev a discussion that provides rare insights into the thought processes of a leading Soviet statesman at the height of

his power *Soviet Politics in Perspective* Richard Sakwa,1998 *Soviet Politics in Perspective* is a new edition of Richard Sakwa's successful textbook *Soviet Politics* an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader

Velikanova,2013-01-28 This is the first study of popular opinions in Soviet society in the 1920s These voices which made the Russian revolution characterize reactions to mobilization politics patriotic militarizing campaigns the tenth anniversary of the revolution and state attempts to unite the nation around a new Soviet identity

The End Of Soviet Politics Brendan Kiernan,2019-09-06 The author examines the intent and the unexpected side effects of Gorbachev's policy of demokratizatsiia on the Soviet political system His analysis traces the emergence of competitive multiparty politics drawing from interviews and primary materials collected during 15 months 1988-1990 in the

Soviet Union Rethinking Post-Soviet Politics from a Neopatrimonial Perspective Oleksandr Fisun,2020 Focusing on the battle between democrats and their opponents does not provide a satisfying way to explain the political trajectories of the former Soviet states A more useful approach is neopatrimonialism From this perspective we can explain the colored revolutions as elite led efforts by rent seeking entrepreneurs to resist increased pressure placed on them by neopatrimonial states

Eurasian Politics: Ideas, Institutions and External Relations Mr Tulsiram,Mr Ajay Patnaik,2013-06-15 The transitional politics of Eurasian space is marked by a constant struggle among three sets of ideas and institutions the 1 is the remarkable resilience of Soviet ideas and institutions 2 an attempt by the regimes of these states to reinvent the historical and cultural traditions of preSoviet periods and third is an attempt by a section of the powerful elite to superimpose Western liberal ideas and institutions There is a strange intertwining of these ideas and institutions This book examines the extent to which the postSoviet politics has departed from the Soviet one What are the new ideational structures emerging in these states and how far have they crystallised into institutions What are the external influences which are shaping the institutions in the Eurasian space And finally what are the various dynamics of geopolitics in this region Experts from various countries will delve into the shifting dynamics of Eurasian politics
