Madrid Maria Paz Moreno,2017-11-10 As the capital city of Spain Madrid is nowadays considered one of the most interesting food towns in the world This is perhaps due to the wide variety of specialty dishes that its cuisine boasts ranging from the old fashioned and traditional to the modern and even the futuristic a cuisine that has consistently received high praise from the likes of New York Times critic Mark Bittman and TV celebrity chefs such as Anthony Bourdain and Mario Batali to name just a few But how did a once humble and unsophisticated city like Madrid become the vibrant food metropolis that it is today How did contemporary madrile o cuisine come to be and what are its main identifying dishes What role have its legendary restaurants caf s and markets played in putting Madrid in the map as one of the world s top food destinations Maria Paz Moreno looks at the gastronomical history of Madrid throughout the ages She traces the historical origins and evolution of Madrid s cuisine exploring major trends most innovative chefs restaurants and dishes and telling the story of this fascinating city from the point of view of a food lover She discusses the diverse influences

**A Spanish Cookbook a la Mediterranea** Maria del Carmen Asquerino-Frey, 2002-03 I have spent the last twelve years acquiring from my family and friends the unique bits and pieces that are additive to foods that I grew up with Tasty soups Delicious seafood Mouth watering dishes with meat or fish cooked according to age old recipes Many of the recipes contained in this book have been in my family for several generations This project was started as an effort to document my family's style of home cooking and to share it with my four American daughter in laws It was hoped that they would then share some of it with my grandchildren Along the way others heard of this endeavor and encouraged me to share my recipes with them Because of all the recent emphasis on Mediterranean foods I have now become convinced that this effort might have an even broader audience The writing of this book has been a international family effort From Spain my mother aunts and cousins contributed Here in America my husband translated the recipes from Spanish to English My daughter in laws helped convert the recipes into their nutritional constituents and my mother in law edited the book While the dishes are unique they are still very Mediterranean in substance and are very much a part of the Mediterranean Food Pyramid Along with capturing the essence of these colorful and resilient dishes we have tried to approximate the food values each of these recipes embodies I hope that this book will help enlighten you about Mediterranean cooking particularly the recipes with a Spanish accent and help cultivate an appetite for Spain that extends beyond its foods
