**Destined for Glory** Margaret Clarkson,1987      **The Virtues of Suffering** Glendon Watson,Maureen

Watson,2019-10-29 Everyone suffers and many people question the goodness of a God who allows such pain and sorrow in His creation But God intends for our suffering to draw us closer to Him to receive His redemption as it reveals the weaknesses of our own flesh and the condition of our heart causing us to cry out to our loving and eternal God All suffering is a result of the fall in the Garden of Eden but Jesus gave His life so that we might have life and have it more abundantly He alone can deliver us from suffering and save our souls from hell In The Virtues of Suffering the trials and pains of this world are acknowledged and embraced for the blessings they bring to the lives of believers As Paul wrote in 2 Corinthians 4 17 For our light affliction which is but for a moment worketh for us a far more exceeding and eternal weight of glory Jesus also suffered willingly knowing the good fruit it would produce who for the joy that was set before him endured the cross despising the shame Hebrews 12 2 For both believers and skeptics who are struggling with suffering and loss and questioning the benevolence of God The Virtues of Suffering will shine a light of hope and promise as readers lean into the Word of God and His great love for all people

**Ecclesiology and the Scriptural Narrative of 1 Peter** Patrick T Egan,2017-02-23 The relationship between the church and the scriptures of Israel is fraught with complexities particularly in regard to how the first Christians read scripture in light of the gospel of Christ Patrick Egan examines the text of 1 Peter in light of its numerous quotations of scripture and demonstrates how the epistle sets forth a scriptural narrative that explains the nature and purpose of the church Egan argues that 1 Peter sets forth an ecclesiology based in a participatory christology in which the church endures suffering in imitation of Jesus role as the suffering servant The epistle admonishes the church to a high moral standard in light of Christ s atoning work while also encouraging the church to place hope in God s final vindication of his people

Addressing the churches of Asia Minor 1 Peter applies the scriptural narrative to the church in unexpected ways

**Sermons on Christ and Salvation** Horace Bushnell, 1886     New Existence and Righteous Living Robert L. Cavin, 2013-08-29 As the first comparative study of Colossians and 1 Peter the book fills a lacuna by exploring each author's understanding of the new existence and the means to righteous living If the epistles end up offering almost identical paraenesis why do they have such distinctive theological patterns of thought The conventional starting point in Colossian and 1 Peter studies centers on the recipients needs Much has been learned from these investigations and is kept in view However the extent to which each epistle's theology reflects an underlying pattern of ideas within each author's worldview is less well understood Setting the author's views in the context of the literature of early Judaism throws fresh light on his thought world and understanding of the new existence and moral enablement Evidence exists which indicates that streams of traditions in Early Judaism Literature factors other than the recipients needs contribute to the theology within each epistle and may account for distinctive aspects identified between Colossians and 1 Peter Exploration of 4QInstruction and the Hodayot texts discovered at Qumran provides precedents precursors and parallels for the distinctive emphases investigated Thus they shed new light on each epistle

**The New Theology and the Old** Alexander Beattie, 1910     *40 Questions About the Historical Jesus* C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels

Marvin Pate, Douglas Welker Kennard, 2003 Deliverance Now and Not Yet follows Albert Schweitzer's view of mystically dying with Christ and Merkabah mysticism at Qumran to propose that the New Testament pictures Christ's atonement with mystical

implications These pictures set up three forms of New Testament eschatology consistent inaugurated and realized With regard to the relationship of the Church and the Great Tribulation 1 Paul and John present deliverance now realized eschatology and 2 the rest of the New Testament presents deliverance not yet in two categories 2a Mark James Peter and Jude present deliverance not yet consistent and 2b Matthew Luke Acts Hebrews and Revelation portray deliverance as now and not yet inaugurated eschatology Taken together the Christian s experience of the Messianic woes and mystical expression of the Kingdom prompts us to long deeply for the climactic expression of the Kingdom of God
