The Outside Girl Perception Is Reality:

The Outside Girl Jennifer Cunningham, 2005-03 All Ophelia ever wanted when she was a child was to belong to a family The orphan finally got her wish but bliss soon turned to terror as she saw behind the masks her foster parents had worn to be able to adopt her Living in fear of them Ophelia's only friend was the outside girl who made promises of freedom and happiness However Ophelia soon felt the sting of betrayal for the second time as she realized that the outside girl wasn't a friend at all but a manipulative enemy After finding out that she was truly alone her goal was to live a normal life that was all she wanted For some people though normalcy is far away and nothing can bring it closer Even after finally achieving her goal it was once again shattered and taken away by herself
