Wile, 1995-09-22 What do partners do after a fight If they re like most people they apologize I m sorry I had a bad day and I took it out on you Or they wake up the next morning and pretend that nothing happened hoping their partner will do the same In neither case do they talk about the fight They re too afraid that doing so will simply rekindle it and they re right it probably would But since they don t talk about the fight nothing ever really gets resolved Daniel B Wile author of *Couples Therapy* and *After the Honeymoon* devotes this entire book to an analysis of a single night in the life of a couple Marie and Paul By tapping into their self talk their ongoing conversations with themselves he discovers what starts escalates and rekindles fights and also what potentially allows for a useful conversation about a fight Wile reveals the half thoughts and half feelings that generally go unnoticed the anxious flashes depressive waves two second self directed diatribes and two second mental divorces Crafting the Overseer's Image William E. Wiethoff, 2006 The first book length study of the overseer in four decades Wiethoff s study bridges historical legal and rhetorical scholarship to present a provocative investigation into the multifaceted roles of this oft forgotten figure in plantation society Wiethoff canvasses the period from 1650 through 1865 and across a southern expanse that stretches to include the Upper and Deep South Overseers left scant written evidence about their lives and times but Wiethoff unearths characterizations constructed by friends and enemies neighbors and strangers He also mines the legal record to gauge the impact of legislative and case law rhetoric on public memory *The Legends of the Jews* Louis Ginzberg, 1913 The Athenaeum, 1904 The Original by Thomas Walker, 1874 Spiritual efficiency, the primary charge by C.
