

# WHAT IS COMFORT?

**Comfort** is a feeling of relief, calmness, and emotional support that we experience when we feel sad, distressed, or going through difficult times.

It's like a hug for the soul, a way to find solace and consolation in the midst of adversity.

It can come from the understanding and empathy of others, from words of encouragement, or gestures of affection.

**Comfort** provides us with a sense of hope and helps us heal emotionally.

It reminds us that we are not alone and gives us strength to move forward, even in the darkest moments.
