## To Die A Little:

It's a Good Day to Die Jay Thomas Willis,2020-06-01 This book of poetry traces my struggles from childhood through college military and adult years My poetry is mostly free verse and rhyme I utilize my life experiences to present a mesmerizing book of poetry I present over fifty poems in this collection The title is appropriate because in reviewing my life I conclude that any day has always been a good day for me to die I believe like the Native Americans that it is important to begin each day fresh and not let past problems or present distractions cloud how God wants us to live To Win or to Die: A Tale of the Klondike Gold Craze George Manville Fenn,2023-08-22 George Manville Fenn s To Win or to Die A Tale of the Klondike Gold Craze is a gripping narrative set during the Klondike gold rush in the late 19th century Fenn expertly weaves together themes of greed adventure and the harsh realities of survival in the untamed wilderness The novel is characterized by its vivid descriptions of the rugged landscape and its portrayal of the desperate characters who risk everything in pursuit of riches Fenn s prose is engaging and his attention to detail brings the setting to life allowing readers to immerse themselves in the drama unfolding on the pages The book is a valuable contribution to the adventure genre offering a glimpse into a pivotal moment in American history George Manville Fenn a prolific writer of adventure stories was well equipped to tackle the subject matter of the Klondike gold rush His background in journalism and his penchant for crafting compelling narratives shine through in To Win or to Die Fenn s exploration of the human spirit in the face of extreme circumstances adds depth and complexity to the story making it a worthwhile read for fans of historical fiction and adventure tales I highly recommend To Win or to Die A Tale of the Klondike Gold Craze to readers who enjoy stories of exploration survival and the quest for fortune Fenn s masterful storytelling and his ability to capture the essence of a bygone era make this novel a must read for anyone interested in the Klondike gold rush or the adventure genre in general Disce Mori.
