the book examines the importance of sport during a key transitional period of our lives from the later teenage years into the early twenties and therefore helps us develop a better understanding of the social construction of young people's lives. The book covers youth sport in all its forms from competitive game contests and conventional sport to recreational activities, exercise and lifestyle sport, and at all levels from elite competition to leisure time activities and school physical education. It explores youth sport across the world in developing and developed countries and touches on some of the most significant themes and issues in contemporary sport studies including physical activity and health, lifelong participation, talent identification and development, and safeguarding and abuse. No other book brings together in one place such a breadth and depth of material on youth sport or the engagement of young people in physical activity. The Routledge Handbook of Youth Sport is therefore important reading for all advanced students, researchers, practitioners, and policy makers with an interest in youth sport, youth culture, sport studies, or physical education.

Run to Overcome Meb Keflezighi, 2014-06-06. The incredible true story of Meb Keflezighi, winner of the 2014 Boston Marathon. When Meb Keflezighi signed up to run the Boston Marathon in 2014, no one expected him to be the first to cross the finish line. But if there's one thing Meb knows how to do, it's overcome. Yet Meb is the living embodiment of the American dream. His family came to the U.S. to escape poverty and a violent war. 12-year-old Meb spoke no English at the time and had never raced a mile. Thanks to hard work and determination, he excelled academically and became an Olympic silver medalist. But it all came crashing down when Meb, a favorite for the Beijing Olympics, fractured his hip and pelvis during the trials and was left literally crawling. That same day he lost his close friend and fellow marathoner to a cardiac arrest. Devastated, Meb was about to learn whether his faith in God, the values his parents had taught him, and his belief that he was born to run were enough to see him through. *Run to Overcome* is the story of a true American champion who discovered the real meaning of victory against all odds. Now with an updated chapter after Meb's amazing finish in Boston.
