you to go against the natural current to go upstream give to others when you're depleted and pretend you are happy and spiritual when that's not how you truly feel. Over time you may start to feel like your spirit is becoming emptier and joyless. While we struggle against the current, the river of our soul is patiently waiting for us to seek nature's way: live our inherent passion, let life be easy, and attract our good to us. As a society, we have been taught to question when we experience pain, trauma, or grief. We might ask questions like, "Where is God or my Higher Source in my time of need? Why do bad things happen to good people? Why can't my body heal? Why can't my lifestyle improve? Or, 'If I was born with a purpose and passion, why is it so hard for me to find it?' In this book, these questions and many more are answered by seeing your life from a higher, more pure perspective. By doing away with all shame, doubt, and feelings of being violated, you can learn how to move out of self-damaging beliefs and into becoming your true self. You will learn how to start treating your body, mind, and spirit as though they are your best friends so that you can connect with Divine Intelligence. You were born with a readily available Intelligence that beats your heart and digests your food; it's what keeps you alive. You will also discover how to use your intuition as your internal guidance system. If you've ever had a gut feeling about something, then you've already experienced your intuition trying to communicate with you. This intuition is real and needs to be acknowledged. Each chapter of this book will give you detailed instructions on how to help deepen your spiritual life. May you embrace your true self with great curiosity for the mystery and mastery that lies within you.

Georgie Anna Holbrook is an internationally recognized Blessing Creator; she interprets the emotions behind health issues along with being a personal and professional guide. She is a gifted intuitive whose motto is "I pray up, show up, and then listen up to how I can guide you into a life you love."

ASPIRE TO GROW Wuan D. Miller, 2020-12-15

Are you struggling to live a mature Christian life? You don't have to. All you need is a step in the right direction. What step? Intentionality. Why intentionality? While spiritual growth should be the goal of daily Christian living, it is not automatic. Unless the believer is intentional, what one learns from reading the Bible will never manifest on its own. The Lord can inspire one to action, yet it is up to the believer to ASPIRE or move toward the call of the Lord. The greater the aspiration, the greater the spiritual growth. The question is, how does one get started? ASPIRE to Grow is a deep dive into biblical disciplines that can transform any life into the one God has intended. In this work, Wuan D. Miller shows Christians how spiritual growth is possible through a modern treatment of nine timeless biblical practices: Connect to Draw, Consecrate to Align, Commit to Launch, Share to Grow, Serve to Receive, Sow to Send, Rest to Rejuvenate, Reflect to Reposition, Renew to Enrich. Drawing from the model of Jesus' devotional scriptures, ideas for daily application, and questions to ponder, Miller unpacks the richness of these disciplines in the Word of God in a way that is relevant for today while systematically condensing them into a simple 3-pillar model for living it out: Worship, Witness, Withdraw. Wherever you are in your study of the Word, ability to witness to others, or private devotion, ASPIRE can help one go to the next level. Anyone who wants to move from wherever they are right now to where God has intended them to be should read **ASPIRE TO GROW** *Growing*
