## To Turn From Idols:

**To Turn from Idols** Kenneth Hamilton, 1973 In the Bible idolatry usually refers to the worship of images made by human hands though in a wider sense it includes veneration of the stars the powers of nature or anything else substituted for the living God Through the centuries the forms of idolatry may change but whenever men ascribe omnipotence to other powers than Almighty God the substance of idolatry remains the same The thesis of this significant new book is that the origins of idolatry lie in the imaginations of men s hearts To Turn From Idols is a bold and forthright expos of the God substitutes being worshiped by contemporary man The most widely venerated idol in today s world Hamilton suggests is the great god Change this false god misleads us into believing in automatic progress into seeking relevance in place of truth and into cherishing unrealistic hopes for ultimate human solutions to all our problems Hamilton offers more than a diagnosis of how the second commandment is violated He shows how Christian believers may turn away from popular idolatrous beliefs by rediscovering the realistic and truth communicating images found in the Christian tradition Christian worship Christian preaching and the resources of the Christian ministry Hamilton argues communicate the healing images that can bring our generation to a deepened understanding of the living God and of his ever available grace Publisher [Japanese Idols Go to China](#) Xiaofei Tu, Wendy Xie, 2022-10-25 This book situates the Chinese acceptance of Japanese popular culture specifically the intriguing and sometimes awkward relationship between the idol groups AKB48 and SNH48 within the broad context of nationalist ideology and international relations in East Asia It aims to enhance the knowledge and understanding of the reader about contemporary East Asian cultural exchanges and nationalist expressions in concrete forms Additionally this book attempts to discover heretofore overlooked aspects of nationalism s metamorphosis in both China and Japan and challenge the existing scholarly and popular understandings of nationalism By interrogating the nationalism factor in popular culture in Chinese and Japanese contexts this books concludes that popular culture fandom can both be a culprit in promoting hegemonic political ideologies and serve as a potential antidote **Idol Worship in Chinese Society** Xiaodong Yue, Chau-kiu Cheung, 2018-10-17 This book introduces psychosocial studies of idol worship in Chinese societies It reviews how idol worship is perceived in Chinese culture history and philosophy as well as how it differs from the concept of celebrity worship that is more dominant in Western literature Using a pioneering hexagonal model of idol worship this book explains how idol worship is affected by various demographic and dispositional variables as well as the cognitive and social functions of idols and idol worship Finally it discusses idol worship from a contemporary Chinese perspective including emotional interpersonal and social learning aspects and ends with a discussion of moral development perspective *Life-Study of 1 and 2 Thessalonians* Witness Lee, 2001-12 [Life-study of Thessalonians, Timothy, Titus, and Philemon](#) Witness Lee, 2023-09-27 Paul s two Epistles to the Thessalonians were written to a young church with young believers These Epistles are very precious for they render particular help concerning the young Christian life and church life In the Life study of 1 and 2

**Satisfied. . . at Last!** Kay Harms, 2015-09-01 Soul hungerers are real and normal Unfortunately these universal human longings can drive us to dangerous places risky behaviors and enslaving addictions Much of the drama and discontent that plagues the lives of modern women can be traced directly to a hungry soul Women often try to satisfy their cravings by shopping overeating seeking the attention of men or having children What they really hunger for though is deep and lasting spiritual fulfillment In *Satisfied at Last* author Kay Harms shows women who are tired of looking for soul satisfaction in all the wrong places how to find truth guidance and fulfillment by interacting with the Word of God intimately and daily But for even the most devout Christians the Bible can be mystifying How can an invisible spirit God satisfy the deepest cravings of the soul when He can't be seen heard or touched Through thirty truthful transparent lessons *Satisfied at Last* guides the reader through a study of the Scriptures specially designed to address the soul hungerers of women Why settle for unfulfilling junk food when the Word of God can introduce you to the richly satisfying Bread of Life
