The New Academic Librarian Rebeca Peacock,Jill Wurm,2014-01-07 The new essays on today s academic librarians examine above all their functions and responsibilities since these have greatly changed just in recent years especially in matters of technology These librarians essayists step away from yesterday s stereotypes and explain at length their new roles From digital resources and special collections to web development and new outreach initiatives the topics covered by the essays in this book will reassure new librarians and stimulate prospective librarians as they realize the enhanced and varied positions that are available in the 21st century academic library

The Blue Book on Information Age Inquiry, Instruction and Literacy Daniel Callison,Leslie B. Preddy,2006-09-30 Based on many years of columns from School Library Media Activities Monthly authors Daniel Callison and Leslie Preddy present key terms in a working theoretical model that may be used in developing and understanding the power of information inquiry in instruction This book is both a revision and an update to Key Words Concepts and Methods for Information Age Instruction LMS Associates 2003 New columns from School Library Media Activities Monthly are

included and entirely new key words for instruction are introduced These key terms have immediate value for staff development purposes They are reproducible and can be used in building year long study group programmes in schools and libraries or as weekly discussion handouts An entirely new section on inquiry has been added An in depth and invaluable section of resources and web sites has been updated In addition to the theoretical base the authors include much practical instructional application for immediate use The Blue Book on Information Age Inquiry Instruction and Literacy is the new definitive work on information inquiry and information literacy instruction The authors have thoughtfully blended theories in education and library science in a book that finally gives us a picture of the huge role of the school library media specialist as both a teacher and a librarian who needs to understand interpret and instruct students in the skill of inquiry the basis of all learning Back cover
