**The Wounded Spirit** Frank Peretti, 2000-11-13 If you've ever been there you've never forgotten The feeling is as haunting and familiar as the smell of a junior high school locker room It's the feeling of being undersized or oversized or klutzy or less than beautiful Of being a nerd or a geek or just somehow different It's knowing you are vulnerable and someone is ready and willing to take full advantage of your weakness by making your life miserable It's the fraternity you never wanted to join the fellowship of the wounded spirit And bestselling novelist Frank Peretti is a member too This book is the haunting true story of pain Frank Peretti never forgot but never until recently shared with the world It's the story of growing up with a medical condition that left him disfigured A series of surgeries and the slow miracle of answered prayer took care of the deformity but not the underdeveloped frame or the excruciating reality of being different And it was for these petty crimes that Peretti was prosecuted every day at school especially in gym class but also in the halls on the school grounds even in his own neighborhood No wonder he found himself relating to movie monsters who were hated but also feared and who eventually exacted a bloody revenge on their tormentors In Peretti's case deliverance eventually came through time through prayer through a teacher's caring intervention and his own willingness to seek help But he has never forgotten what life was like at the bottom of the junior high foodchain And from the reservoir of those agonizing memories he sends a compelling message to victims to bullies and to authorities who have the power to intervene that it's never OK for the strong to abuse the weak And that we allow such abuse at the expense of our souls and our very civilization Especially in the wake of the massacre at Columbine High School perpetuated by two troubled but also tormented outsiders this message takes on haunting resonance Frank Peretti believes we cannot afford to overlook the continuing reality of wounded spirits not only in our schools but in our homes churches and workplaces His approach is both tender and tough as he issues a ringing call for a change in attitude It's a call for all of us to stop thinking of abuse as normal even among kids It's a call for the strong to stand up and protect the weak not prey upon them It's a call for those in authority to pay attention to the violence being done to the vulnerable in the midst of our everyday lives and to take action to help Most of all it's a call for bullies and victims alike many of us are both to seek the healing and forgiveness offered in Jesus Christ For that healing is really the heart of this book the only reality that can break the natural cycle of victimization and abuse Only in Christ Peretti reminds is

there hope for the wounded spirits but that hope is powerful enough to change everything

**The Five Wounds Sanctuary for the Sick** Ann Farmer, 2012-03 Our Lord's miracles were not just exotic intervals in His real ministry His approach to the marginalized the sick and the disabled was an intrinsic part of His mission a sign of the Messiah prophesied in Scripture inseparable from the

proclamation of the Good News By studying His healing miracles from an often neglected perspective that of the sufferer we gain a glimpse of how God views His creation by studying Our Lord s Passion from His physical wounds and from His five invisible wounds we draw comfort strength and spiritual guidance In Scripture we find inspiration in the Sacraments and traditions of the Church healing balm in prayer and other useful resources practical help True to the ancient devotion to the Five Wounds of Christ the contemplation of which helped ordinary Christians to see the suffering of others to cope with their own suffering and to find the strength to follow in His footsteps The Five Wounds offers hope and help to those suffering the invisible spiritual wounds that accompany sickness and disability the poor in body and the poor in spirit as well as those who care for them At a time when so many are swimming against the tide of assisted suicide advocacy struggling to resist the seductive voices of the Culture of Death The Five Wounds offers the hope and help they need to carry on living the apostolate of suffering Lifting the veil of Man s greatest mystery it finds true love in apparently worthless suffering In accepting God s plan wherever it may lead we find ourselves unexpectedly accepting His invitation to the joyful banquet of the Lamb

Folston-Williams,2018-03-17 Despite unfathomable emotional pain betrayal by loved ones and a vicious cycle of yearning for outwardly love and attention healing of the heart is possible This book is not just words penned to make someone feel good Poetry from the Heart is a book of deeply personal expressions that reveal many of my life experiences and the deliberate obstacles that God allowed me to go through to heal myself and to help heal others Some of the poems were directly inspired by the Holy Spirit This is the first of several books God put in me In the process of writing this book I found answers to questions that I had for years God told me years ago that I would write poetry and that it would get published in a book that would provide me with answers to many question I had It would also open my eyes about why certain things happened in my life As I wrote the poems God allowed the mysteries to unfold And just as He told me I would I found the answers that blessed me The poem Where is God When it Hurts is the one that inspired me most and triggered the birthing of this book I went through a vivid time in my life that the only way healing came was through writing what I was feeling Out of the writings came Poetry from the Heart For this I am so grateful I pray that this book will be a blessing to every hand that holds it and every soul that receives it May it bring wholeness and healing to every part of you and help to lay the foundation for discovering the answers to questions that you too have pondered in your heart and never shared with anyone BUT GOD HE THOUGHT I WAS WORTH SAVING To God be the Glory **Paradoxes, Mysteries, Riddles, Enigmas, and Comfort for**

**Christians** Gerald C. Primm,2002-05 Several years ago I republished the rare Spurgeon book The Mourner s Comforter The printing sold out in a very short time I have plans to reprint that book again soon The success of that book has had much to do with my undertaking this new reprint of some of Spurgeon s sermons on comfort and encouragement It is especially suitable for persons who struggle with depression Spurgeon was considered by many in his day as the greatest living preacher of the gospel Since his death in 1892 his works have been reprinted by many publishers His primary work was a sixty three volume set of more than 3 000 sermons Pilgrim Publications has reprinted the complete set of sermons with a separate index of the Scripture texts and sermon titles making it relatively easy to find material on almost any subject These sermons have also been recorded on a CD ROM disk by the Ages Digital Library It has been one of the great pleasures of my life to select arrange and edit the material in this book The editing has been confined primarily to spelling example labour to labor etc Some additions have been made such as adding the first names of persons not as familiar to the public today Some

time references have been eliminated For instance statements such as I spoke to you on Thursday last week have been removed as being irrelevant to the message In some cases I have substituted a new word for one that is not familiarly used today Ship or boat was substituted for barque etc However sentence structure has been left as originally written and care has been taken not to change the meaning of any statements or doctrines expounded by Mr Spurgeon Gerald C Primm editor
