The New York Red Book, 1916 **Classified list of photographs of paintings and drawings** Victoria and Albert museum, 1878 *New York Red Book*, 1919 *The Red-figure Pottery* Sharon Herbert, 1977

Inferior clays and glazes unsuited to the red figure style means that the indigenous production of red figure vases in Corinth was very limited. However for about 75 years in the middle of the 5th century B C Corinthian potters tried to imitate the Athenian fashion and this book catalogues 186 pieces of their work. The author discusses the reasons for the production of Corinthian red figure even in limited quantities. Six painters are identified as responsible for at least half the known pieces. Thirteen deposits provide chronological evidence to supplement that of the painting style. The volume serves to bring forward a small but significant segment of the non Attic pottery industries and should stimulate interest in other unpublished unreported examples. All items in the catalogue are illustrated in photographs line drawings are used to demonstrate details of technique.

A Critical History of Television's The Red Skelton Show, 1951-1971

Wesley Hyatt, 2015-05-07

The Red Skelton Show was on the air for 20 years the longest running primetime network comedy variety series on television. It was a top 10 series for nine years an accomplishment surpassed only by Gunsmoke and Home Improvement. The series has a few unimpressive achievements too such as becoming the first top 10 series to be cancelled by a network. Here is the history of The Red Skelton Show beginning with its debut in 1951 one of the top five that year. The show then declined in popularity moved from CBS to NBC in 1953 slowly rose back to the top. In its glory days of the 1960s it became an hour long show and finished at number two in two different years. The cancellation of the show by CBS in 1970 despite its place in the top 10 was a surprise the last season back with NBC was a failure. Appendices list cast and crew.
