States each branch of the Zhidovetsky Goldberg family reacted differently to their newly found freedoms One embraced socialist and later communist values while others followed the democratic and capitalistic viewpoints of their new country The most famous of these first generation Americans was Ella Goldberg Wolfe wife of Bertram David Wolfe the noted Russian historian and author Bert and Ella s lives were closely knit with that of the New York socialist intelligentsia in the early 1900s Their changing views on peace socialism communism and later anti communism were part of their process of awakening to their Americanism Both were members of New York s Greenwich Village Lyric Left that included John Jack Reed Jay Lovestone Max Eastman Emma Goldmann and Eugene O Neill among others Ella was interviewed for Warren Beatty s biopic about Jack Reed and Louise Bryant Reds and provided basic first hand information for the film Active Peaceniks during World War I the Wolfes were hounded by the seditionist police in the post world war era because of their pro peace and socialist values We follow their swing to communism and then travel with them around the U S while they seek to avoid capture Eventually they immigrate to Mexico where they become an important part of the Mexican communist movement that included artists Diego Rivera and Frida Kahlo both of whom became their confidantes In 1929 as delegates to the Comintern Congress in Moscow Bert s views about the American Communist movement causes both to become targets of Joseph Stalin and they are held under house arrest until Julius Hammer arranges for their release Upon return to the U S both Bert and Ella become part of the Lovestone anti Stalinist faction and later become virulent anti communists Bert Wolfe his brother in law Harry Goldberg and Jay Lovestone were considered to be among the most valuable secret political assets of the U S during the cold war Bert passed away in 1977 after have written numerous books about Russian Communism including the epic Three Who Made a Revolution Ella outlived most of her generation and passed on at the age of one hundred and three in January of 2000 Their love story matched against the background of the politics and upheavals of the 19th and 20th centuries is both meaningful and poignant We follow in like fashion other members of the family Zhidovetsky Goldberg and their new lives successes and failures in their adopted country Finally the moral issues confronting the United States today are explored and some interesting similarities vis vis the past and present are discussed with regard to the views of the author and other members of this extraordinary family

*The Odyssey of Communism* Michaela Praisler, Oana-Celia Gheorghiu, 2021-05-14 This volume looks into the ways in which film has contaminated and re shaped culture s and the collective unconscious at both local and global levels arguing that our lives have been impacted by the then that we keep revisiting lest we forget It takes the reader from the Berlin Wall to China and from the terror of communist political prisons and labour camps to the rosy image promoted by propaganda A key point throughout the text is its interdisciplinary nature as it brings together literature and film scholars directors sociologists and philosophers whose overall conclusion is that communism lingering in mentalities still needs interrogation Structured along four parts which trace a Homeric or rather Joycean journey to a home metonymised by the long awaited freedom this book sets out from the gloomiest aspects of

totalitarianism in the Romanian Serbian and Soviet Hades es of traumatic psychological and physical experiences and of imposed silencing The second part gathers together case studies of films illustrating more optimistic views of communism as spring in the USSR or as a golden age in Romania thus narcotising the communist subjects and preventing them from seeing the actual inferno The third section offers filmic accounts of the aftermaths of communism engaging the readers in a nostalgic process that revisits questions reflects on and remembers communism on a larger world stage The coda rounds up the volume and the journey therein by crossing genre frontiers to written narratives with a cinematic component
