The Paladin C. J. Cherryh, 2016-06-20 Does it seem reasonable to you that a Regency continues into an Emperor's thirtieth year No m lord Shoka said Not to us either Not to many of us We were ready to make that objection when lord Gitu overran Yijang and Hua Assassinations elsewhere Hired killers Bands of mercenaries traveling under imperial orders The Emperor's seal and the Regent's orders How do we stop such a thing How do we prevent it when every lord able to lead is apprehended assassinated when they strip us of men even boys out of the fields go to Saukendar some said Go to Saukendar They urged me to send to you This time he has to listen they said But if I had sent and Ghita had known you understand Reidi gave an uncomfortable twitch of the shoulders His horse shifted again I had no true hope that you'd come You'd indicated to the villagers that you had no wish to hear from anyone That you would refuse any such petitions You were watching me It's my village m lord as the Regent pointed out to me again and again and threatened my life should you leave that mountain Of course the word came to me I tried to get a messenger down the road to you when I knew you'd left Mon We believed you'd come back to deal with Ghita and his partisans Shoka felt cold cold all the way to the bones There are men ready to follow you lord Saukendar There are men who've committed their lives to this We didn't know the hour We only believed Now you've come back It's gripping drama tightly focussed and inexorable as Taizu herself Read The Paladin and you'll never settle for another ordinary sword wielding female Faren Miller LOCUS At the publisher's request this title is sold without DRM Digital Rights Management
