Paul Carus

The Path:

The Path to Attainment Mark L. Prophet, Elizabeth Clare Prophet, 2008 Attainment is the goal of the spiritual path It is not the power to perform miracles or to control others but the ability to give and receive energy in harmony This volume explains important keys to attainment including how to connect with the masters and how to chart cycles of positive and negative karma

Groundless Paths Karl Brunnholzl, 2012-08-14 The Abhisamayalamkara summarizes all the topics in the vast body of the prajaparamita sutras Resembling a zip file it comes to life only through its Indian and Tibetan commentaries Together these texts not only discuss the hidden meaning of the prajaparamita sutras the paths and bhumis of sravakas pratyekabuddhas and bodhisattvas but also serve as contemplative manuals for the explicit topic of these sutras emptiness and how it is to be understood on the progressive levels of realization of bodhisattvas Thus these texts describe what happens in the mind of a bodhisattva who meditates on emptiness making it a living experience from the beginner's stage up through buddhahood Groundless Paths contains the first in depth study of the Abhisamayalamkara the text studied most extensively in higher Tibetan Buddhist education and its commentaries from the perspective of the Nyingma School of Tibetan Buddhism This study consists mainly of translations of Maitreya's famous text and two commentaries on it by Patrul Rinpoche These are supplemented by three short texts on the paths and bhumis by the same author as well as extensive excerpts from commentaries by six other Nyingma masters including Mipham Rinpoche Thus this book helps close a long standing gap in the modern scholarship on the prajaparamita sutras and the literature on paths and bhumis in mahayana Buddhism Arya Maitreya's Ornament of Clear Realization with its Indian and Tibetan commentaries presents the complex dynamics of the path to liberation as a succession of realizations of the empty nature of all phenomena This presentation is a powerful antidote to whatever two dimensional views we might hold about spiritual experience and the journey to enlightenment

The Path Rev. Dr. Ebele Okonkwo Onuigbo, 2016-06-23 Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential consequences and evaluating the implications for both oneself and others in the surrounding community Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well

being and experiences of those around us In the modern world we observe a striking dichotomy between Jesus purpose driven ethos and the prevalent self centered pursuits that often consume individuals Amidst the clamor for material possessions societal status and personal comfort many seem to lose sight of life s deeper significance While the pursuit of such desires is not inherently erroneous an excessive fixation on them can obscure individuals from fulfilling their higher calling
