When We Meet Again Caroline Beecham, 2021-07-20 An emotionally compelling tale of love and mystery set in the publishing world of World War II London When We Meet Again tells the story of a mother searching for her stolen child and illustrates the unbreakable bonds among families lovers and readers under the shadow of war London 1943 War and dwindling resources have taken their toll on the book publishing industry but Alice Cotton a young editor at Partridge Press has seen her star begin to rise She has a knack for creating new books to distract readers from the grim realities of the war And the demand for books is greater than ever both on the battlefield and on the home front But just as her hard work seems poised to pay off Alice unexpectedly falls pregnant Facing the stigma of being an unwed mother Alice flees to a small town to give birth to her child Eadie whom her family has promised to help raise Instead her mother sells the newborn to baby farmers who plan to give the child up for a private adoption Alice begins her desperate hunt to find the daughter she never planned for but suddenly deeply loves Alice's story intertwines with that of Theo Bloom an American editor tasked with helping Partridge Press overcome the publishing obstacles of the war Theo and Alice are quickly drawn to each other during their darkest hours bound by hope love secrets and the belief that books have the power to change lives
