## Utah Hell Guns:

*Utah Hell Guns* Steve Frazee, 1956      **Utah Hell Guns** Steve Frazee, 2006 Three painted wagons a broken whisky barrel and a man shot dead in front of him that was the way Reno Keegan saw Utah Keegan was working on the rail line and tons of rock needed to be blasted through but would he live to see the job finished      **Hired Gun** W.R. Benton, 2014-07-02 From the Author of *War Paint* and *Jake Masters Bounty Hunter* The dusty mining town of Bannack Montana harbors a fierce rivalry two businessmen will do anything for advantage over their competition even if it means murder Myles Sams is a hired killer not young any more but wise enough to stay alive even if that means shooting first When Myles services are acquired to streamline Bannack's current business community he soon realizes he's gunning for the wrong side With a mini war brewing Myles defects offering his six guns to his former target side But all is not what it seems additional unseen forces are at work quietly ripping the small town apart at the seams When crooked vigilantes get wind of Myles plan to set things right all hell's gonna break loose Brutal and action packed another gripping western from W R Benton Keywords Montana vigilante hanging Sharps gunfighter Colt saloon      **Lion Books and the Lion Library: A Checklist** C. rightfully belonged Others called them ribald raiders because they seemed to enjoy themselves so thoroughly when they walked into some unsuspecting cow country bank and lifted its cash There were still other papers and individuals too who mentioned slyly when the pair made front page news that Nevada Jim James and Utah McClatchey sometimes did the country a service by preying upon their own kind For deputy sheriffs town marshals and border patrolmen frequently found dead gangsters in unexpected places with miniature tombstones carved from chaparral or manzanita placed neatly upon their chests That was a symbol the Hellers from Helldorado always left behind them We don t want nobody to git credit for our doin s but us Utah always said An we shore as heck don t want to git credit for orneriness that ain t our n

*The Best Western Stories of Steve Frazee* Steve Frazee, 1984 The 11 stories collected here testify to the success of Steve Frazee whose avowed aim as stated in the biographical sketch on the jacket of his first major novel *Shining Mountains* was to write honest Westerns Honest presentation is only one characteristic of Frazee s well crafted tales He tells a convincing satisfying and unusual story even when employing stock Western situations A major strength is his understanding of the nuances of character of how people are motivated of the good and bad within each person and of the conflicts between man and his environment Drawing upon his years in the mountains of Colorado he can vividly and realistically depict a variety of Western
