## **Spellbound Summer:**

**Spellbound Summer** Janet Lynnford, 2002 Confronted by a temperamental Scottish laird while collecting clay from his property artisan Angelica Cavendish finds herself in the midst of a war over disputed land and in a personal battle for the heart of a warrior Gems Johnny Lofton, 2020-05-19 The title Gems is unique within itself The poetry displays deep thoughts that causes one to think of the known as well as the unknown I chose Gems for my title because I feel that every one of my poems is as a collection of fine stones As one reads a poem I want the experience to be as one who gazed upon a fine gem As with Gems the quality of some poems will be better than others It is my sincere desire that my readers will experience the same pleasure and satisfaction as a gem collector would receive when he gazes upon a rare stone I pray to God that you will read this book of Gems **Greek and Roman Classics in the British Struggle for Social Reform**

Henry Stead, Edith Hall, 2015-06-18 Greek and Roman Classics in the British Struggle for Social Reform presents an original and carefully argued case for the importance of classical ideas education and self education in the personal development and activities of British social reformers in the 19th and first six decades of the 20th century Usually drawn from the lower echelons of the middle class and the most aspirational artisanal and working class circles the prominent reformers revolutionaries feminists and educationalists of this era far from regarding education in Latin and Greek as the preserve of the upper classes and inherently reactionary were consistently inspired by the Mediterranean Classics and contested the monopoly on access to them often claimed by the wealthy and aristocratic elite The essays several of which draw on previously neglected and unpublished sources cover literary figures Coleridge the Cockney Classicist poets including Keats and Dickens different cultural media burlesque theatre body building banner art poetry journalism and fiction topics in social reform the desirability of revolution suffrage poverty social exclusion women s rights healthcare eugenics town planning race relations and workers education as well as political affiliations and agencies Chartists Trade Unions the WEA political parties including the Fabians the Communist Party of Great Britain and the Labour Party The sixteen essays in this volume restore to the history of British Classics some of the subject s ideological complexity and instrumentality in social progress a past which is badly needed in the current debates over the future of the discipline Contributors include specialists in English Literature History Classics and Art **Goth Music** Isabella van Elferen, Jeffrey Andrew Weinstock, 2015-12-07 Is goth music a genre and if so how does it relate to the goth subculture The music played at goth club nights and festivals encompasses a broad range of musical substyles from gloomy Batcave reverberations to neo medieval bagpipe drones and from the lush vocals of goth metal to the harsh distortion of goth industrial Goth Music From Sound to Subculture argues that within this variegated musical landscape a number of key consistencies exist Not only do all these goth substyles share a number of musical and textual characteristics but more importantly these aspects of the music are constitutive of goth social reality Drawing on their own experiences in the European and American goth scenes the authors explore the ways in which the sounds of goth

inform the scene's listening practices its fantasies of other worlds and its re-enchantment of their own world Goth music this book asserts engenders a musical timespace of its own a musical chronotope that is driven by nostalgic yearning Goth Music From Sound to Subculture reorients goth subcultural studies onto music goth music must be recognized not only as simultaneously diverse and consistent but also as the glue that holds together goth scenes from all over the world It all starts with the music

**On the Crofter's Trail** David Craig,2013-05-13 In the Clearances of the 19th century crofts once the mainstay of Highland life in Scotland were swept away as the land was put over to sheep grazing Many of the people of the Highlands and islands of Scotland were forced from their homes by landowners in the Clearances Some fled to Nova Scotia and beyond David Craig sets out to discover how many of their stories survive in the memories of their descendants He travels through 21 islands in Scotland and Canada many thousands of miles of moor and glen and presents the words of men and women of both countries as they recount the suffering of their forbears

**A Long Summer's Day** Mary Charlotte Mair Simpson (formerly Senior.),1873

**Summer** Alice Gordon,2000-04 However one stands on the question of summer there is no taking away from it the season's special attributes of languorous mood and insinuation of heightened freedom These are the themes that inspire the writers artists and photographers happily assembled in these pages New York Newsday 58 full color illustrations 16 duotones

Friendship Ideals 2004 Ideal Books,2004-07 From the words of Mark Twain to voices of Americans across the USA the treasure of enduring friendships is celebrated in the Friendship issue in prose and poetry Fine art images and exquisite photos of uniquely beautiful places in America including a lake bordered by black-eyed Susans a rambling creek in a deep green valley in the Rocky Mountains and delicate seashells fill the pages as the loveliness of late summer and early fall is presented
