**Living Literature** Wendy C. Kasten, Janice V. Kristo, Amy A. McClure, Abigail Garthwait, 2005 This is the ideal book to help prospective teachers improve children's reading and language arts skills and instill in them a genuine and lasting love of reading. The book demonstrates numerous ways to integrate literature into the daily fabric of classroom life. Following a solid grounding in the basics every reading teacher needs, individual chapters explore genres of children's literature and teaching strategies specific to each genre. Then the authors examine currently accepted effective practices for engaging young readers in hands-on reading in a way that fosters a love of literature that will last a lifetime. Early childhood and elementary education literature and language arts teachers

**Children's Literature** Barbara D. Stoodt, Linda B. Amspaugh, Jane Hunt, 1996

**Discovering Children's Literature** Judith Hillman, 1995 A concise introduction to the world of literature for infants, children, and adolescents, this popular book taps the work of well-known scholars to provide its foundation in genre theory while clearly relating the books it recommends to practical teaching applications. After first defining literature and literacy and examining relevant aspects of children's development, the author explores each of the traditional literature genres in turn and provides a firm structure for evaluation that will serve future teachers well as they approach any form of literature. Each chapter asks the student for reflections, opinions, and participation through suggested projects and activities. For elementary and high school teachers of English and Language Arts
