Sunne In Splendour:

The Sunne In Splendour Sharon Kay Penman, 2008-01-22 The classic magnificent bestselling novel about Richard III now in a special thirtieth anniversary edition with a new preface by the author In this triumphant combination of scholarship and storytelling Sharon Kay Penman redeems Richard III vilified as the bitter twisted scheming hunchback who murdered his nephews the princes in the Tower from his maligned place in history Born into the treacherous courts of fifteenth century England in the midst of what history has called The War of the Roses Richard was raised in the shadow of his charismatic brother King Edward IV Loyal to his friends and passionately in love with the one woman who was denied him Richard emerges as a gifted man far more sinned against than sinning With revisions throughout and a new author's preface discussing the astonishing discovery of Richard's remains five centuries after his death Sharon Kay Penman's brilliant classic is more powerful and glorious than ever

The Sunne in Splendour Sharon Penman, 2012-08-01 The pageantry passion and tragedy of the life of Richard III Richard last born son of the Duke of York was three when the battle of St Albans began the War of the Roses eight when his father and brother Edmund were brutally slain at Wakefield Green nine when his resplendent brother Edward aged nineteen won the crown for York and seven months short of his own nineteenth birthday when he bloodied himself at the battles of Barnet and Tewkesbury earning his legendary reputation as a battle commander and ending the Lancastrian line of succession But Richard was far more than a warrior schooled in combat He was also a devoted brother whose defence of George of Clarence continued even in the face of madness whose loyalty to his brother the king endured even unto death despite his distaste for Edward's libertine appetites and political expediency And he was an ardent suitor His all-consuming love for Anne Neville began in childhood Wed at fourteen to Edouard of Lancaster in a loveless match and widowed six months later she came to Richard afflicted with wounds of the soul that only his patient tenderness could heal But heal they did and theirs became a marriage as remarkable for its consistency as for its ardour Richard was indeed many things patron of the arts indulgent father generous friend Above all he was a man of fierce loyalties great courage and firm principles who was ill at ease among the intrigues of Edward's court The very codes Richard lived by betrayed him But he was betrayed by history as well Leaving no heir his reputation was at the mercy of his successor and Henry Tudor had too much at stake to risk mercy Thus was born the myth of the man who would stop at nothing to gain the throne Filled with the sights and sounds of battle the customs and love of daily life the rigours and dangers of Court politics and the touching concerns of very real men and women **The Sunne in Splendour** is a richly coloured tapestry of medieval England

Dark Serpent (Hugh Corbett Mysteries, Book 18) Paul Doherty, 2016-08-25 Disease Danger Death Sir Hugh Corbett returns Hugh Corbett is takes up a life of danger yet again in **Dark Serpent** the eighteenth novel in Paul Doherty's series Perfect for fans of Susanna Gregory and Robin Hobb After his recent unveiling of a devious assassin Sir Hugh Corbett

has returned to service as the Keeper of the Secret Seal begrudgingly admitting that his appetite for adventure has once again been whetted Summoned to meet the King to be congratulated on their work together Corbett and Ranulf learn of the death of Corbett's close friend Ralph Grandison Ralph a leper has been found dead in a rowing boat a dagger thrust through his chest But this murder is not the first of its kind Other patients of the hospital in which Ralph was staying have similarly slaughtered and it seems as though the lepers all former knights of the Royal household are being targeted The discovery that Ralph was killed by no ordinary weapon but a poison dagger that once belonged with the Crown Jewels before being famously stolen leads Corbett down a complex path where the risk of disease plays out against the backdrop of finding an assassin who will use any means necessary to kill As Corbett puts himself in the path of extreme danger will he survive to see another day What readers are saying about *Dark Serpent* A triumphant return for Sir Hugh Corbett Lots of twists and turns I couldn't wait to find out who the killer was Highly recommended Historical fiction at its best *Eleanor John Ashdown-Hill*,2009 When Edward IV died in 1483 the Yorkist succession was called into question by doubts about the legitimacy of his son Edward one of the Princes in the Tower The crown therefore passed to Edward IV's undoubtedly legitimate younger brother Richard Duke of Gloucester But Richard too found himself entangled in the web of uncertainty since those who believed in the legitimacy of Edward IV's children viewed Richard III's own accession as a usurpation From the day when Edward IV married Eleanor or pretended to do so or allowed it to be whispered that he might have done so the House of York previously so secure in its bloodline confronted a contentious and uncertain future John Ashdown Hill argues that Eleanor Talbot was married to Edward IV and that therefore the marriage to Elizabeth Woodville was bigamous making her children illegitimate He thereby offers a solution to one of history's great mysteries **Voice of Youth Advocates**,1983 **English Journal**,1983 Studies in Medieval and Renaissance Teaching,1998 The Detective as Historian Ray Broadus Browne, Lawrence A. Kreiser,2007 Deeper understanding of history is enhanced by encasing it in art and interest Crime fiction is one of the widest and most rapidly growing forms of literature Historical crime fiction serves effectively the double purpose of entertaining while it teaches The truth of the narrative account the editors of this volume believe is dependent on the understanding of human nature reflected in the author who writes the narrative Historical crime fiction the editors of this volume write has an obligation and a golden opportunity It must bring the past up to the present through the device of timeless crime and it must take the reader into the world about which is being written so that the characters are alive and the events interesting and challenging Professional writers of fiction need to be more effective than mere authors of dates and assumed motivations Therefore they can fill in human motivations and drives where no records exist and can aid the professional historians in what historian David Thelen calls the challenge of history which is to recover the past and interpret it for the present The essays in this volume accept the challenge and make major accomplishments for meeting it **Journal of Reading**,1983 Contemporary Authors Terrie M.
