

# Sunset Acres

**New York (State)**

## Sunset Acres:

**Plymouth** Sarah Winans and Natasha Thoreson ,2019 Years before Minnesota became a state in 1858 hopeful land speculators designed a plan for a town named Plymouth built on the northwest shore of Parkers Lake A gristmill and other structures were raised but a flood in 1857 destroyed the fledgling pioneer town Settlers continued to arrive though setting up homesteads in the 36 square miles of Township 118 By the time Hennepin County commissioners christened the township Plymouth over 400 citizens resided within its borders Over the next century this close knit farming community located just 12 miles from downtown Minneapolis maintained its rural roots Urbanization finally took hold in 1972 when Plymouth installed its first traffic light Now the seventh largest city in Minnesota Plymouth reflects a newly diverse and dynamic American suburb where industrial residential and recreational areas converge This book aims to bridge Plymouth s past with its present connecting the city s newest pioneers with those who founded it so many years ago Annual Report Minnesota State Agricultural Society,1952 **Publication** ,1981 **Resource Investments Landfill Facility, Pierce County** ,1995 Department Reports of the State of New York New York (State),1956 **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States.
