**William Cobbett**

## **They Lie We Lie:**

*They Lie, We Lie* Peter Metcalf, 2003-09-02 *They Lie We Lie* is an attempt by an experienced fieldworker to engage recent critiques in ethnography that is the writing of culture made both from within anthropology and from such disciplines as cultural studies and post colonial theory This is necessary because there has been a polarization within anthropology between those who react dismissively to what Marshall Sahlins calls afterology and those who find the critiques so crippling as to make it hard to get on with anthropology at all Metcalf bridges this divide by analyzing the contradictions of fieldwork in connection with a particular informant a formidable old lady who tried for twenty years to control what he would and would not learn At each stage the author draws out the general implications of his predicament by making comparisons to the most famous of all fieldwork relationships that between Victor Turner and Muchona The result is an account that is accessible to those unfamiliar with the current critiques of ethnography and helpful to those who are only too familiar to them His discussion shows not how to evade the critiques but how in fact anthropologists have coped with the existential dilemmas of fieldwork

**The Beatitudes, Discipleship, and the Justice of God** Brooks Harrington, 2024-10-15 What does Jesus call his disciples to do To proclaim correct doctrines about Jesus To avoid sinners and condemn sin To impose their values and rules upon the wider society To be supportive of the church From the experience of almost three decades of work with the poor the homeless the crime victim and the abused child as a lawyer and a United Methodist minister Brooks Harrington hears Jesus in the Gospel according to Matthew teaching and showing that discipleship is the Way of Mercy Disciples are called to endure in following Jesus and trusting the Father despite the challenges of discipleship the growing misery and evil in the world the belittling of the power of God s mercy by the world s opposing kingdoms and the delay in the arrival of God s promised Kingdom of shalom The Beatitudes are the twelve steps of discipleship to God s Kingdom of Mercy and blessings from God empowering disciples to persist in mercy in the midst of so much pain injustice and opposition After each of the twelve steps Harrington tells a fictional story of four women struggling to be disciples in our day and time by protecting the poor and undocumented refugees
